

IN YOUR STRIDE

100 YEARS OF THE COMRADES MARATHON

Released to celebrate the centenary of the world's largest ultra-marathon, "In Your Stride - 100 Years of the Comrades Marathon, 1921- 2021" puts a new spin on the story of the Comrades Marathon. For the first time, despite many books previously published on the subject, a premium is placed on sharing the visually spectacular nature of the event.

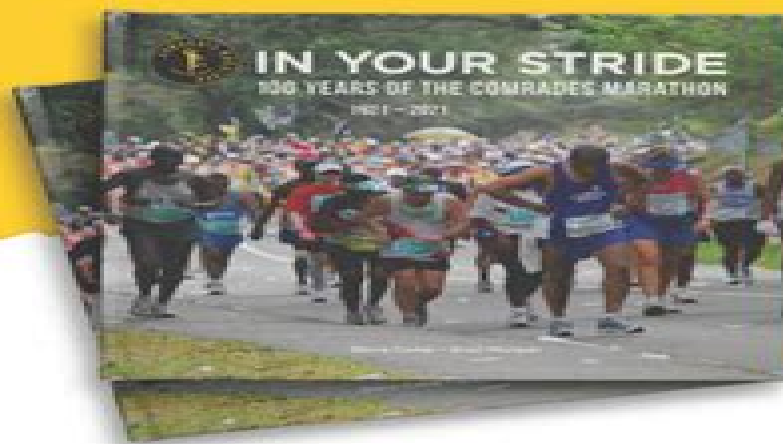

Wonderful photos that capture different eras are enhanced by the history of the great race, including many quirky tales of the characters that have made the Comrades revered throughout the world. The result is a coffee table book that entertains not only individually but serves as a great conversation piece.

The history is backed up by many interesting articles detailing things like the different medals, badges and numbers, the route, spectators, medical, and charities. Fascinating statistics look back over the past century and each and every runner to have earned a Green Number is listed.

With a foreword by nine-time Comrades champion Bruce Fordyce, this book is not only for the Comrades runner, but for anyone with a passing interest in a South African tradition that is one of the world's greatest sporting events.

Information Pamphlet Of The Comrades Marathon:

Comrades Marathon - The Ultimate Human Race John Cameron-Dow, 2012-09-27 It is the world's largest and oldest ultramarathon race. It is a festival celebrating the triumph of human spirit over adversity. It has a camaraderie that enables ordinary mortals to overcome human fragility and perform beyond their wildest expectations. In the words of Comrades marvel Bruce Fordyce, this race can inspire ordinary people to do extraordinary things and it brings out the best in all of us. This race has a power to transform, to inspire and to motivate unlike any other. The official Comrades Marathon, The Ultimate Human Race, begins in 1921 and chronologically describes every race in detail up to 2010's commemorative 85th event. All the legends are here in their full Comrades glory and human frailty: Arthur Newton, Hardy Ballington, Wally Hayward, Jackie Mekler, Alan Robb, Frith van der Merwe, Bruce Fordyce and others. But there is also deeply affectionate and admiring coverage of the backmarkers, the ones often called the real Comrades runners, those ordinary people behind the front runners. This meticulously researched account will certainly inspire all types of athletes, but more than that, it will evoke a sense of wonder at what body and mind can achieve in pursuit of extreme challenge. The heartbreaking and heart-stopping moments are documented alongside the countless successes and triumphs, as well as a rich collection of humorous and quirky anecdotes from Comrades lore. An updated history of the Comrades Marathon is long overdue, and author John Cameron Dow is uniquely qualified to write about this remarkable athletic event; he holds a prized green number mark of a ten-time Comrades medallist.
