Kathmandu By Gnu:

Kathmandu by Gnu Peter Hall,2014-12-11 Poetry about the urban spaces and countryside of Britain The author illustrates his childhood and his time overseas A wide variety of subjects are covered including growing up schools holidays steam engines and football It is not just a journey into nostalgia much of the poetry is set in the modern world Being raised in the NW of England Manchester and the surrounding area feature heavily but the author has seen many parts of the world so they also get a mention Cake eating and Vimto drinking are a constant theme

The Rise and Rise of Indicators Stephen Morse,2019-05-20 This book makes indicators more accessible in terms of what they are who created them and how they are used It examines the subjectivity and human frailty behind these quintessentially hard and technical measures of the world To achieve this goal The Rise and Rise of Indicators presents the world in terms of a selected set of indicators The emphasis is upon the origins of the indicators and the motivation behind their creation and evolution The ideas and assumptions behind the indicators are made transparent to demonstrate how changes to them can dramatically alter the ranking of countries that emerge They are after all human constructs and thus embody human biases The book concludes by examining the future of indicators and the author sets out some possible trajectories including the growing emphasis on indicators as important tools in the Sustainable Development Goals that have been set for the world up until 2030 This is a valuable resource for undergraduate and postgraduate students in the areas of economics sociology geography environmental studies development studies area studies business studies politics and international relations

Stoner to Seeker: The Photographs Gordon Schwerzmann,2022-10-27 STONER TO SEEKER VOLUME I THE PHOTOGRAHS is my impression of two of the most fascinating countries in Asia Bangladesh is a brand new country and I was there just a few months after they won their hard fought independence from Pakistan I have photographed students small businessmen fishermen and villagers showing how they realize their hopes and dreams for this verdant paradise Kathmandu Nepal is the last stop on the overland Hippie Trail from Europe to Asia What we found was a medieval country and it is the people places and way of life of this mystical land that I recorded with my camera I have documented a time the 1970s before the all pervading Western culture the Economic Miracle and the geo political revolutions changed Asia irrevocably This is my photographic vision of Asia a bright shining candle before the winds of change extinguished it forever
