The Force of Beauty Holly Grout, 2015-05-13 The market for commercial beauty products exploded in Third Republic France with a proliferation of goods promising to erase female imperfections and perpetuate an aesthetic of femininity that conveyed health and respectability While the industry's meteoric growth helped to codify conventional standards of womanhood The Force of Beauty goes beyond the narrative of beauty culture as a tool for sociopolitical subjugation to show how it also targeted women as important consumers in major markets and created new avenues by which they could express their identities and challenge or reinforce gender norms As cosmetics companies and cultural media from magazines to novels to cinema urged women to aspire to commercial standards of female perfection beauty evolved as a goal to be pursued rather than a biological inheritance The products and techniques that enabled women to embody society's feminine ideal also taught them how to fashion their bodies into objects of desire and thus offered a subversive tool of self expression Holly Grout explores attempts by commercial beauty culture to reconcile a standard of respectability with female sexuality as well as its efforts to position French women within the global phenomenon of changing views on modern womanhood Grout draws on a wide range of primary sources hygiene manuals professional and legal debates about the right to fabricate and distribute medicines advertisements for beauty products and contemporary fiction and works of art to explore how French women navigated changing views on femininity Her seamless integration of gender studies with business history aesthetics and the history of medicine results in a textured and complex study of the relationship between the politics of womanhood and the politics of beauty

Suspects Thomas Berger,2024-12-20 Little Big Man author Thomas Berger takes the murder mystery and runs with it in this trip around a quiet suburb with a dark secret A cutting ironic wit and a precision of detail so deadly it hurts when you laugh Ms Mary Jane Jones doesn t like to meddle She s content to stay out of the admittedly tame gossip of her suburban neighborhood even in the fresh loneliness of widowhood In fact if it wasn t for the daily invites to dinner she receives from her sweet neighbor Donna she would be content to just stay home alone Never one to risk being rude Mary slowly finds herself not just a frequent guest in Donna s spotless house but enjoying her company and that of her three year old daughter So when Donna doesn t pick up the phone during their usual dining hours something s too amiss for Mary to stay put Unable to depend on slow moving cops Mary doesn t just come over she breaks in What she finds is almost beyond comprehension Donna and her little girl have been brutally slaughtered in their beds The innocent facade of the town shattered two world weary detectives

must find the murderer before he strikes again But as officers Nick Moody and Dennis LeBeau grill their two primary suspects Larry Howland the late Donna Howland s husband and Lloyd Howland Larry s half brother the harder it is for them to piece together the motive Lloyd who had been in love with Donna for as long as he can remember forges a bond with one of the detectives but can t seem to keep away from oddball scenarios that put him at odds with the law Between his misadventures and the mystery brewing in town *Suspects* is a story that entertains on every single page *Catalog of Copyright Entries.
