The Future of the Word Tiffany Eberle Kriner, 2014 In scripture Jesus promises a future that potentially infuses all texts my words will not pass away Matt 24:28 This book argues that texts even literary texts have an eschatology too a part in God's purpose for the cosmos They with all creation move toward participation in the new creation in the Trinity's expanding creative love This eschatological future for texts impacts how we understand meaning making from the level of semiology to that of hermeneutics This book tells the story of how readers participate in the future of the word the eschatology of texts If texts have a future in the kingdom of God then readers' engagements with them everything from preservation and utterance to translation criticism and call and response can cultivate those futures in the love of the Trinity Kriner explores how the fallenness and failures of texts alongside readers' own failures while seeming to challenge the future of the word ultimately point to reading as a posture of reconciliation in which reader and text meet in the Maranatha of all text

what they expect *The Changing Social Economy of Art* Hans Abbing, 2019-09-14 Is art for everybody Why do art lovers attach so much value to authenticity autonomy and authorship Why did the arts become so serious in the first place Why do many artists reject commerce and cultural entrepreneurship Crucially are any of the answers to these questions currently changing Hans Abbing is uniquely placed to answer such questions and drawing on his experiences as an economist and sociologist as well as a professional artist in this volume he addresses them head on In order to investigate changes in the social economy of the arts Abbing compares developments in the established arts with those in the popular arts and proceeds to outline key ways that the former can learn from the latter by lowering the cost of production fostering innovation and becoming less exclusive These assertions are contextualized with analysis of the separation between serious art and entertainment in the nineteenth century lending credence to the idea that government supported art worlds have promoted the exclusion of various social groups Abbing outlines how this is presently changing and why while the established arts have become less exclusive they are not yet for everybody **From Manet to Manhattan** Peter Watson, 1992 A behind the scenes look at a century of high art and high stakes commerce fluently narrated and spiced with backstage gossip This captivating history brings to life the connoisseurs and market makers artists and swindlers who have shaped our tastes and driven the price of masterpieces into the stratosphere Photographs caricatures and pictures of famous paintings *The Literary World*, 1890 **Lacan's Seminar On Anxiety** Roberto Harari, 2013-03-26 Designed for novices as well as students of psychology and literary criticism these systematic lectures do much to clarify Lacan's groundbreaking work on the birth of the subject and its links with Freud's theory of drives Moreover they answer some of the criticisms that have been leveled at Lacan by forms of psychoanalysis unable or unwilling to incorporate his ideas **Thrumpton Hall** Miranda Seymour, 2023-12-15 A biography and family memoir by turns hilarious and heart wrenching Miranda Seymour's Thrumpton Hall is a riveting frequently shocking and ultimately unforgettable true story of the devastating consequences of obsessive desire and misplaced love Dear Thrumpton how I miss you tonight When twenty one year old George Seymour wrote these words in 1944 the object of his affection was not a young woman but the beautiful country house in Nottinghamshire that he desired above all else Miranda Seymour would later be raised at Thrumpton Hall her upbringing far from idyllic as life revolved around her father's odd capriciousness The house took priority over everything even his family until the day when George Seymour in his golden years began dressing in black leather and riding powerful motorbikes around the countryside in the company of surprising friends For fans of *Downton Abbey* the show's creator Julian Fellowes called it brilliant original and intensely readable Thrumpton Hall is a poignant and memorable true story of family **Myth and the Creative Process** Jacob E.
