CHAPTER 5

Management's Social and Ethical Responsibilities

CHAPTER OBJECTIVES

- **Define** the term *corporate social responsibility* (CSR), and **specify** the four levels in Carroll's global CSR pyramid.
- **Contrast** the classical economic and socioeconomic models of business, and **summarize** the arguments for and against CSR.
- **Identify** and **describe** the four social responsibility strategies, and **explain** the concept of enlightened self-interest.
- **Summarize** the four practical lessons from business ethics research.
- **Distinguish** between instrumental and terminal values, and **explain** their relationship to business ethics.
- **Identify** and **describe** at least four of the ten general ethical principles.

Management 12th Edition Kreitner

Robert E. Davis

Management 12th Edition Kreitner:

The Fundamentals of Management and Their Possible Changes Due to the Impact of the COVID-19 Pandemic Juraj MIŠÚN, Martin NOVYSEDLÁK, Ivana MIŠÚNOVÁ HUDÁKOVÁ, 2023-09-14 *A New History of Management* Stephen Cummings, Todd Bridgman, John Hassard, Michael Rowlinson, 2017-09-28 This book argues that if we are to think differently about management we must first rewrite management history *Entrepreneurship & Management* Manjunath V.S., 2010-09

Essentials of Sport Leadership Majd Megheirkouni, Peter Norrington, 2024-08-14 This is a complete step by step reader friendly introduction to leadership theories and their application in sport organizations It outlines key concepts and approaches to leadership clearly explains how they relate to sport and shows how sport managers can use leadership theory to develop and improve their professional practice This book covers leadership and management across all sectors of sport including for profit non profit and public and adopts an international perspective that reflects the globalized reality of contemporary sport business It explores key topics including behavioural theories transformational leadership culture self leadership ethics and women in sport leadership and encourages the reader to develop critical thinking skills that are essential in the modern workplace Each chapter contains a selection of real life examples review questions case studies self assessment exercises topics for seminars and workshops and suggested readings This is an essential textbook for any sport leadership course valuable reading for anybody with an interest in leadership theory or contemporary sport management and a useful handbook for anybody working in sport or event management who wants to become a better manager Online support material includes quiz style questions and other resources for tutor use or adaptation **Research Anthology on Human**

Resource Practices for the Modern Workforce Management Association, Information Resources, 2021-12-30 Human resource departments have been a crucial part of business practices for decades and particularly in modern times as professionals deal with multigenerational workers diversity initiatives and global health and economic crises There is a necessity for human resource departments to change as well to adapt to new societal perspectives technology and business practices It is important for human resource managers to keep up to date with all emerging human resource practices in order to support successful and productive organizations The Research Anthology on Human Resource Practices for the Modern Workforce presents a dynamic and diverse collection of global practices for human resource departments This anthology discusses the emerging practices as well as modern technologies and initiatives that affect the way human resources must be conducted Covering topics such as machine learning organizational culture and social entrepreneurship this book is an excellent resource for human resource employees managers CEOs employees business students and professors researchers and academicians *Management* Robert Kreitner, Charlene Cassidy, 2012-01-01 MANAGEMENT 12th Edition takes a practical student oriented approach toward teaching management with an emphasis on current topics including issues of diversity ethics and technology The student friendly content features references to pop culture and cites

current publications of interest to students In addition to providing the management framework and introducing students to contemporary management topics the text provides experiential activities to get students thinking and acting like real life managers A robust network of supplements helps students to understand the hands on real world application of chapter concepts Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

Auditing Information and Cyber Security Governance Robert E. Davis,2021-09-22 A much needed service for society today I hope this book reaches information managers in the organization now vulnerable to hacks that are stealing corporate information and even holding it hostage for ransom Ronald W Hull author poet and former professor and university administrator A comprehensive entity security program deploys information asset protection through stratified technological and non technological controls Controls are necessary for counteracting threats opportunities and vulnerabilities risks in a manner that reduces potential adverse effects to defined acceptable levels This book presents a methodological approach in the context of normative decision theory constructs and concepts with appropriate reference to standards and the respective guidelines Normative decision theory attempts to establish a rational framework for choosing between alternative courses of action when the outcomes resulting from the selection are uncertain Through the methodological application decision theory techniques can provide objectives determination interaction assessments performance estimates and organizational analysis A normative model prescribes what should exist according to an assumption or rule

Strategic Thinking, Planning, and Management Practice in the Arab World Albadri, Fayeze,Nasereddin, Yacoub Adel,2019-04-05 The Arab region has been and continues to be a focus of the world for its economic political and social importance However reality indicates that the performance of many Arab states in terms of education literacy health employment and welfare generally fall behind many countries of other regions Strategic Thinking Planning and Management Practice in the Arab World is an essential reference source that investigates the status of current strategic practice in the Arab world as well as the need to promote awareness of effective development strategies Featuring research on topics such as social justice practical entrepreneurship and crisis management this book is ideally designed for high caliber strategists academic scholars and postgraduate research students

Effective Entrepreneurial Management Robert D. Hisrich,Veland Ramadani,2016-12-23 This textbook provides a comprehensive overview of the essential issues in effective entrepreneurial management It first introduces readers to the fundamentals of entrepreneurial management the nature of entrepreneurial managers and business planning before exploring the specific topics of creativity and innovation risk management entrepreneurial marketing and organization as well as financing The authors then move to contemporary topics such as entrepreneurial growth strategies e commerce challenges ethical and socially responsible entrepreneurial management franchising and managing entrepreneurial family ventures Each chapter provides a case study and several practice based examples to help explain the concepts By providing a truly international approach this text offers ample

theoretical and empirical insights into entrepreneurship and small business management It is a valuable and up to date resource for teachers and students of entrepreneurship

Asian Women in Corporate America: Emerging Research and Opportunities Lakshminarayanan, Sambhavi,2021-02-19 By necessity understanding of leadership has been based on who used to be business leaders namely men In the last few years Asian women have been making their mark in corporate America Although Asian women have become part of the American workforce and some have achieved spectacular success there is little discussion about them Many of these women could be first general immigrants still balancing the strong pull of two cultures Even for second or third generation immigrants Asian cultures can often exert immense pressures Thus the achievement of these women deserves far more attention than it has received and comprehensive research on these advances should be presented Asian Women in Corporate America Emerging Research and Opportunities traces the history of Asian women s presence as executives of major American corporations presents biographical sketches of a select few draws upon factors individual corporate and societal that influenced their journeys and links to past theories on business leadership The chapters serve to bring attention to a minority group in leadership and extricates factors that helped in the success of Asian American women in these prominent roles While highlighting topics such as existing leadership theories gender and ethnicity in leadership models of theories regarding Asian women and their involvement in major corporations this book is a valuable reference tool for managers executives researchers practitioners academicians and students working in fields that include women s studies gender studies business and management human resources management management science and leadership

Communicating to Lead and Motivate William C. Sharbrough,2017-09-11 Effective leaders lead by communicating It is through communication that leadership is enacted as leaders influence followers to behave in ways that achieve the leader s and the organization s goals This book applies leadership theory and research to communication in ways that are easily understood and can be applied to any situation where individuals find themselves in a leadership position in an organization whether as a front line or top level leader The book begins with a basic explanation of the leadership process and how leaders express their vision It then looks at how leaders can create positive relationships with followers that pay off in effective performance Next the book investigates how leaders motivate their followers by creating follower self efficacy trust and valued rewards Then the focus changes to the specific types of messages a leader can use to motivate followers Leading is about change so the book next looks at ways effective leaders communicate in leading change in organizations and at how the changing workforce is effecting how effective leaders communicate with the new workforce
