

Exam Corner

June 2012 – Questions

The FRCS (Tr & Orth) examination has three components: MCQs, theory and Clinical Examination. The theory is further divided into four sections comprising Basic Science, Adult Pathology, Hands and Children's Orthopaedics and Trauma. The Clinical Examination section is divided into upper and lower limb exams. The aim of this section in the journal is to focus specifically on the theories preparing for the exam and to cater to all the sections of the exam every month. The exam is to complete the cycle of all relevant examinations (as per the syllabus) in four years.
