*Communication in the Workplace* Baden Eunson, 2012-01-24 *Communication in the Workplace* is a revealing snapshot of how organisations really work. In workplaces throughout Australia and across the planet, billions of messages are sent in various forms every day, but not all of them get through. Of those that do, many are misunderstood. Communication breakdown is just as common as communication effectiveness, but it doesn't have to be that way. Become a more effective communicator by finding out how messages can be sent and distorted by differing channels, including memos, emails, meetings, teleconferencing, and instant messaging. Expert communicator Baden Eunson shares insights about the informal organisation, networking, how to know when messages are being lost due to cultures of silence, silos, or empires, and what to do about it, and explains how knowledge management can help you get your message across.

Language in Business, Language at Work Erika Darics, Veronika Koller, 2018-01-31 Packed with contemporary examples from the business world, this is an exciting and engaging text which explains how language works in business, how to analyse it, and how to use it in an informed and creative way. The book is split into three parts which look at business communication from corporate management and employee perspectives. Wide-ranging in nature, it explores a variety of topics ranging from stakeholder communication and brand narratives to managing conflict and self-branding. Each chapter contains ample opportunity for readers to put new skills into practice, while case studies act as springboards for further discussion. This is essential reading for students of both language and business-related disciplines, both during and beyond their studies. It is also an indispensable resource for teachers of business communication.
