Vaishali,2023-03-08 After discovering she s lesbian and dyslexic at 20 Vaishali begins to untangle her anxieties around reading and writing She comes out to her mother at 22 and leaves her Bombay home to make her own way In a dingy insect ridden yet rent free hostel room in Hyderabad with a door that doesn t quite close she tries to make the best of the situation by writing a book about her experiences As she writes she finds the past has a way of catching up with her even as she explores her dyslexia homosexuality and the clitoris falling in love and recovering from a harrowing breakup academic failure loneliness and homophobia living with sickness anxiety depression and her caste gender and body This is the story of Vaishali s relationship with her many truths and the truths of many young people in India Disturbing Spirits Beverly A.

Tsacoyianis,2021-06-15 This book investigates the psychological toll of conflict in the Middle East during the twentieth century including discussion of how spiritual and religious frameworks influence practice and theory The concept of mental health treatment in war torn Middle Eastern nations is painfully understudied In Disturbing Spirits Beverly A Tsacoyianis blends social cultural and medical history research methods with approaches in disability and trauma studies to demonstrate that the history of mental illness in Syria and Lebanon since the 1890s is embedded in disparate but not necessarily mutually exclusive ideas about legitimate healing Tsacoyianis examines the encounters between Western psychiatry and local practices and argues that the attempt to implement modern cosmopolitan biomedicine for the last 120 years has largely failed in part because of political instability and political traumas and in part because of narrow definitions of modern medicine that excluded spirituality and locally meaningful cultural practices Analyzing hospital records ethnographic data oral history research historical fiction and journalistic nonfiction Tsacoyianis claims that psychiatrists presented mental health treatment to Syrians and Lebanese not only as a way to control or cure mental illness but also as a modernizing

worldview to combat popular ideas about jinn based origins of mental illness and to encourage acceptance of psychiatry Treatment devoid of spiritual therapies ultimately delegitimized psychiatry among lower classes Tsacoyianis maintains that tensions between psychiatrists and vernacular healers developed as political transformations devastated collective and individual psyches and disrupted social order Scholars working on healing in the modern Middle East have largely studied either psychiatric or non biomedical healing but rarely their connections to each other or to politics In this groundbreaking work Tsacoyianis connects the discussion of global responsibility to scholarly debates about human suffering and the moral call to caregiving Disturbing Spirits will interest students and scholars of the history of medicine and public health Middle Eastern studies and postcolonial literature     Shelf Aware V.R. Tokyo and Los Angeles explore a metaphor specific to each city This multidisciplinary analysis uses philosophical treatises geographical analysis and comparative literature to uncover how each city corresponds to the metaphor As such it allows the reader to understand the city from six differing points of view This book would be beneficial to students and academics of urban planning geography and comparative literature in particular those with an interest in a metaphysical examination of cities
