The Sociopolitics of English Language Testing Seyyed-Abdolhamid Mirhosseini, Peter De Costa, 2020-02-20 Highlighting marginalized but significant perspectives about the sociopolitical essence of English language tests and testing processes worldwide, this book explores the social considerations of testing theories and practices from a critical perspective. Investigating concerns surrounding power inequalities, *The Sociopolitics of English Language Testing* takes a socially situated view of language assessment, bringing sociopolitical understandings of language teaching, learning, and assessment to the forefront in the field. Within the broader discussion of the politics of test use, an international team of language and education experts address the issues of ideology, diversity, power, and dominance in English language testing. Through socially sensitive theoretical as well as empirical discussion and investigation of English language testing, this book offers valuable insights not only to applied linguists and the language education community who have focused on positivistic and cognitively oriented conceptions of language testing, but to anyone who wishes to venture beyond the traditional bounds of the field.
