 D Hotel North Star
- 28 The following people will enjoy a 10% discount **except**
 A parents
 B students
 C academicians
 D senior citizens

Questions 29 – 34 are based on the following newspaper report.

Zairin : Why are you so downcast, Gillian?
 Gillian : My sister has just given birth to a Down Syndrome baby.
 Zairin : What is Down Syndrome (DS) baby?
 Gillian : You know, babies who have abnormal features like flatter faces, misshapen ears, upward slanting eyes and somewhat larger tongues.
 Zairin : I'm so sorry to hear that. Did the doctor explain why it happened?
 Gillian : He said that the baby has an extra chromosome. Normal people have 46 chromosomes but he has 47.
 Zairin : Why does this occur?
 Gillian : The doctor cannot give an answer, but he said that the older the mother, the greater the risk.
 Zairin : So, is your sister very old?
 Gillian : She's forty years old.

English Paper 1 Form

English Paper 1 Form :

Adopting the Track of Phrase: An Psychological Symphony within **English Paper 1 Form**

In some sort of consumed by screens and the ceaseless chatter of instant connection, the melodic splendor and psychological symphony produced by the published word frequently diminish into the background, eclipsed by the constant sound and disruptions that permeate our lives. But, situated within the pages of **English Paper 1 Form** a wonderful fictional treasure brimming with natural emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this fascinating masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed songs and profound impact resonating within each carefully constructed phrase. Within the depths of this emotional evaluation, we shall explore the book is main harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
