

WRITTEN COMPOSITION: Persuasive

Read the following quotation.

"It doesn't matter if you win or lose — only if you win."

Think about whether you believe that winning is the only thing that is important to you.

Write an essay stating your position on whether winning is the most important thing.

Be sure to —

- state your position clearly
- use appropriate organization
- provide specific support for your answer
- choose your words carefully
- edit your writing for grammar, mechanics, and spelling

English II Staar Persuasive Composition Samples:

International Perspectives on Writing Curricula and Development Jill Jeffery, Judy M. Parr, 2021-05-27 This book contributes to the innovation of writing education and research globally by providing crucial insights into how the structures and aims of literacy curricula vary internationally. It examines how nine education systems across five continents represent good writing in curricula that shape students' experiences learning to write in school. The book presents curricular analyses aimed at providing insight into how writing development can be better supported through innovative policy and research. The findings regarding international variation are presented under three broad dimensions: social and contextual factors that shape writing curricula; the discourses of writing reflected in curricula and official documents; and hallmarks of classroom practice including the relationship with official discourse. Case study chapters present integrated inductive and deductive document analyses, findings of which are compared in a concluding cross case analysis chapter. Offering a detailed comparative analysis of writing research, *International Perspectives on Writing Curricula and Development* will be of great interest to academics, researchers, and students in the fields of education, literacy, and curriculum studies. It will also be relevant reading for policymakers and curriculum designers. Chapters 1, 7, 9, 10, and 11 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non-Commercial No Derivatives CC BY-NC-ND 4.0 license.

The Beats Nancy Grace, 2021-03-11 This survey of the many little magazines carrying the Beat message is impressive in its coverage, drawing attention to the importance of their paratextual content in providing valuable socio-political context. The collection contains a range of insightful close readings, astute contextualizing, and inventive lateral pedagogical thinking, charting the transformation of the Beat scene from its free-wheeling self-help heady revolutionary 1960s days to its contemporary position as an increasingly respectable component of the curriculum. *The Beats: A Teaching Companion* is successful on a number of levels; it is a noteworthy contribution to the ever-expanding field of Beat studies and more broadly cultural studies, and it is a collection that at its best gives hope that in referring to its ideas the inspired teacher may still be able to enlarge the lives of their students.
