Excerpt from *The New Dressmaker* With Complete and Fully Illustrated Instructions on Every Point Connected With Sewing Dressmaking and Tailoring From the Actual Stitches to the Cutting Making Altering Mending and Cleaning of Clothes for Ladies Misses Girls Children Infants Men The sewing room Every woman who sews or who has sewing done at home should have a light well equipped sewing room It need not be large but it should have a good light by day and the artificial light should be properly placed and shaded The floor should be covered by a clean sheet or linen drugget sometimes called a crum cloth This covering keeps light colored material from becoming soiled And also enables you to leave the sewing room in perfect order at the end of the day for all the scraps and threads can be picked up in the cloth The room should be furnished with comfortable straight chairs and a table large enough to lay out a skirt or coat for cutting and sewing If it is a regular sewing table you can keep your shears pins etc in the drawer ill I The table should have a smooth hard even surface and should be of comfortable height so you can sit at it with your feet under it as you would sit at a writing table Never sew with your work on your lap It makes you sit in a fatiguing position strains your eyes and back and stretches and crumples your work Lay your sewing on the table letting the table support its weight A big chest of drawers is use ful one drawer for buttons boxes hooks and eyes

etc another for patterns and a third for left over pieces of materials Keep all pieces of material as long as the garment is in use in case you wish to mend or alter it There should be hooks on the wall coat and skirt hangers and a silkoline curtain to draw over dresses etc that are left hanging overnight About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Complete Sewing Instructions the Russell Way Maude W. Russell, 2015-06-11 Excerpt from Complete Sewing Instructions the Russell Way The Newest Simplest and Most Perfect Method of Sewing Ever Offered Women in the year 1904 Maude W Russell established herself as a dressmaker and ladies tailor and continued this line of work until 1910 During these years of experience she realized how essential it was to the success of her work to have a system of pattern cutting that would simplify the methods of dressmaking then in use In 1910 she began to teach dressmaking and then realized more than ever the necessity of having some system of pattern cutting which all could readily understand With the idea of solving this problem she continued her work and finally brought all of the knowledge and principles which she had acquired from her practical experience into use in perfecting the model of the Maude Russell System of Garment Cutting After much experimenting and careful tests she perfected this wonderful adjustable pattern cutting system This she offered to the public believing that its use would prove a great blessing not only to those who are compelled to earn their livelihood by sewing but to every woman who desires to be well dressed at the least possible expenditure of time trouble and money The Russell System has proved its worth by every practical test made by it and we are pleased to say that the approval which it has received from the public more than justifies the faith of the inventor in the superiority of her System over any other method of pattern cutting And by placing this book of Complete Sewing Instructions before the people she knows that every woman can make her own clothes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
