Ever The Same:

Nothing's Ever the Same Cyn Vargas, 2024-05-14 Itzel's 13th birthday party starts in just about the unluckiest way possible with her dad having a heart attack. In those frantic moments the piñata and the frosted sheetcake and the Styrofoam cups of orange soda are forgotten. The day's highlights end up being CPR, an ambulance ride, and angioplasty. But when her father gets home from the hospital, his problems are far from over, and Itzel's are just getting started. Nothing's Ever the Same chronicles a young girl's coming of age in Chicago, growing up as her family grows apart. In masterful fashion, Cyn Vargas gives us a touching and memorable and universal story about a marriage on the brink and a teenager looking for love. It's a short book that packs a wallop; it's also a beautiful meditation on dysfunction and forgiveness and all the times in life to which we can never return. The New Chicago Classics are a disparate set of titles united around a common theme, showcasing the city's up-and-coming literary talents as they produce enduring works. These excellent titles are destined to stand in the first rank of literature about the second city.

Same as Ever Morgan Housel, 2023-11-07 AN INSTANT NEW YORK TIMES BESTSELLER From the author of the international blockbuster THE PSYCHOLOGY OF MONEY, a powerful new tool to unlock one of life's most challenging puzzles: Every investment plan under the sun is at best an informed speculation of what may happen in the future based on a systematic extrapolation from the known past. Same as Ever reverses the process, inviting us to identify the many things that never ever change. With his usual élan, Morgan Housel presents a master class on optimizing risk, seizing opportunity, and living your best life. Through a sequence of engaging stories and pithy examples, he shows how we can use our newfound grasp of the unchanging to see around corners, not by squinting harder through the uncertain landscape of the future but by looking backwards, being more broad-sighted and focusing instead on what is permanently true. By doing so, we may better anticipate the big stuff and achieve the greatest success, not merely financial comforts but most importantly, a life well lived.

Same As It Ever Was Claire Lombardo, 2025-04-22 NATIONAL BESTSELLER NAMED A BEST BOOK BY PEOPLE AND PARADE The New York Times bestselling author of The Most Fun We Ever Had returns with a brilliantly observed novel of a woman in midlife on the verge of upending everything when sudden family events threaten to unearth her painful past. Infidelity, dysfunction, secrets: this family novel delivers. The New York Times Same As It Ever Was showcases the wit and profound emotional intelligence that made The Most Fun We Ever Had one of the most beloved novels of the decade, dubbed the literary love child of Jonathan Franzen and Anne Tyler by The Guardian. This remarkable follow-up is another elegant and tumultuous story in the tradition of Elizabeth Strout, Ann Patchett, and Celeste Ng. It introduces us to Julia Ames, a singularly complicated protagonist. After a youth marked by upheaval and emotional turbulence, Julia resides on the placid plateau of her mid-50s. But Julia has never navigated the world with the equanimity of her current privileged class. Having nearly derailed herself several times, making desperate bids for the kind of connection that always felt inaccessible to her, she believes she has a firm handle on things. She's unprepared, though, for a surprise announcement from her straight

arrow son an impending separation from her spikey teenaged daughter and a seductive resurgence of the past all of which place her on the kind of razor s edge that she knows all too well Same As It Ever Was traverses the rocky terrain of real life exploring maternal ambivalence intergenerational friendship and the happenstantial cause and effect that governs us all Delving into the core of relationships how they grow change and sometimes end Lombardo proves herself a true and definitive cartographer of the human heart and is without doubt among the finest novelists of her generation **It Won't Ever Be the Same** Korie Leigh,2024-09-10 Help young people name express and give shape to their grief with this book on grieving for teens Whether teens are in the midst of their first grief experience or have experienced grief before It Won t Ever Be the Same is designed to support them Reflections analogies and suggested activities within the pages guide teens in working through and making sense of their personal and complex grief experiences and words and artwork from other grieving teens help them feel less alone and more connected It Won t Ever Be the Same is a validating and reassuring book that speaks directly to teens experiencing grief providing them with tools to understand express and cope Written by grief counselor Dr Korie Leigh the book touches upon big milestones in the grief journey starting with new grief and continuing through the days weeks months and years after Each chapter ends with a Give It a Try activity to help teens build an understanding of what they re going through Other moments throughout invite teens to reflect on a specific question or experience tune in to what they re feeling or try out a new way of viewing or being in their grief **Summary of Same as Ever by Morgan Housel: A Guide to What Never Changes** GP SUMMARY,2023-11-08 **DISCLAIMER** This book does not in any capacity mean to replace the original book but to serve as a vast summary of the original book Summary of Same as Ever by Morgan Housel A Guide to What Never Changes IN THIS SUMMARIZED BOOK YOU WILL GET Chapter astute outline of the main contents Fast simple understanding of the content analysis Exceptionally summarized content that you may skip in the original book Morgan Housel s book Same as Ever offers a powerful tool to understand the changing world The book teaches us to focus on what remains constant rather than speculating about the future Housel s approach to investing involves optimizing risk seizing opportunities and living our best life By focusing on what is permanently true we can better anticipate the big stuff and achieve success in both financial comforts and a well lived life Will I Ever Be the Same Again?: Transforming the Face of Depression & Anxiety (Kivler Communications) Carol Kivler,2011-04-05 Blessed with a loving family a successful business as an executive coach and money in the bank Carol Kivler was suddenly and unexpectedly brought to her knees by The Beast clinical depression The story of her journey to recovery from medication resistant depression is not only informative but inspires hope in others who suffer from this debilitating illness Kivler s book is written for multiple audiences especially individuals who are suffering from major depression and their loved ones It is also for health care providers who often make the difference between giving up and recovery for those suffering from mental illness Her Courageous Recovery Wellness Model provides a roadmap for recovery while addressing the misconceptions and stigma

associated with depression Major depression is not an attitude It is not a personality dysfunction It is not a flaw in character It is not laziness or a call for attention It is not hurt feelings or a reaction to a bump in the road It is not contagious Depression is not something that can be brought on or fought off by self will Depression is not something to be ashamed of And most importantly it is not something that should be ignored Left untreated serious depression can be life crippling and even lead to death by suicide Because medication did not work for her and despite serious reservations Kivler eventually agreed to ECT electroconvulsive therapy or shock therapy The treatment not only gave her back the desire to live but the ability to thrive in her personal and professional life Electroconvulsive therapy became her ladder out of the depression pit Much of Kivler s apprehension toward ECT was based on stigma and misinformation Say the words shock therapy to ten people and nine of them will respond with the movie title One Flew Over the Cuckoo s Nest The movie made in 1975 won five academy awards but left a wretched taste in our mouths about ECT That movie as well as The Snake Pit made in 1945 both depict earlier developments of the treatment not the modernized procedure that provides relief to countless patients every day Unfortunately they have left a deep impression on society that ECT is not only painful barbaric and inhumane but something to be ashamed of In her opinion the stigma associated with ECT deprives severely depressed individuals the right to potential recovery Consequently the section of her book on Demystifying ECT provides accurate up to date information about today s modernized procedure answers common questions such as Does it hurt No and discusses possible side effects which Kivler found to be no worse than those from medication In addition the success rate of ECT according to the American Psychiatric Association is 80 percent This is considerably higher than 45 to 50 percent success rate of most anti depressants Plus the effects of ECT are generally felt as early as the third or fourth treatment while medications can take as long as six weeks to take effect Will I Ever Be the Same Again puts the face of hope on depression providing information and inspiration to reach beyond the myths and stigma surrounding ECT and mental illness It was an Award Winning Finalist in the Health Psychology Mental Health category of the Best Books 2010 Awards sponsored by USA Book News Kivler s book was also awarded Finalist Self Help Category 2011 Next Generation Indie Book Awards
