they were herded into camps where they were starved beaten and frozen and they were sent to arbeitskommando work camps While some of the POWs died of disease and sepsis many died from starvation overwork and exposure Others were killed in Allied bombing and strafing raids and a few by executions and illegal shootings Then in the final months of the war as the Allies began to close in from east and west the Germans grew terrified that the conditions of the POW camps and arbeitskommandos would come to light and they herded the POWs across country on what amounted to death marches Boys Just Boys draws upon the private accounts that some veterans wrote Years later the author Kurt Vonnegut who was among the POWs housed in Dresden s slaughterhouse and forced to collect the dead from the cellars of the city after the Allied fire bombing wrote the novel Slaughterhouse Five Through eyewitness recollections of his fellow POWs as well as through records left with Vonnegut s family Boys Just Boys reconstructs the whole brutal chain of events Boys Just Boys draws entirely upon the author s personal interviews with surviving veterans of the 423rd and their families as well as upon their letters and memoirs their obituaries and US Army morning reports each individual soldier in the story is unforgettable From the prologue to the final page it is a spellbinding and heartbreaking record of courage loyalty and friendship in the face of horror degradation and cruelty
