Gray Horse Troop Forever Soldiers:

Gray Horse Troop Charles Baker, 2013-09 This searing memoir of the war in Vietnam and again in Iraq captures the emotions fears and concerns of young men facing life or death in far away lands Gray Horse Troop is a testament to the gallantry of the men of the 5th Battalion 7th U S Cavalry from Montana in the 1870s to the Middle East in 2005 The author narrates the story about the soldiers honoring the men who served in this storied unit From his perspective as the Battalion Operations Officer he gives a first hand account of combat as part of the legendary 1st Cavalry Division in Vietnam in the first half of 1968 5 7th Cav fights its way into Hue during Tet of 1968 clears the NVA away from the perimeter at Khe Sahn and pursues the enemy into the infamous A Shau Valley He provides the big picture that surviving veterans did not get while fighting for survival down at squad level Gray Horse Troop is a personal account of what the author saw remembered and further researched which he writes about with traces of wit political incorrectness and cynicism Being embedded with 5 7th Cav in Iraq in 2005 provides the framework for recalling the various Vietnam battles He is blunt about the human costs of war He writes in simple language directed beyond the military reader to all who are interested in the Cold War Era

A Shau Jay Phillips, 2021-05-11 Nestled in Vietnam s Thua Thien Province west of the city of Hue and bordering Laos the narrow 40 kilometer long A Shau Valley situated between densely forested mountain ranges witnessed prolonged campaigning throughout the Vietnam War and served as a hub of the Communist supply network as well as a key point of access to South Vietnam Drawing upon an impressive array of archival materials this deeply researched book offers the first comprehensive account of operations and battles that transpired there during the war coupled with a trenchant analysis of the American failure to wrest control of the Valley despite years of commitment of troops and resources and how that failure contributed to the final outcome of the war In so doing it not only sheds light on where military tactics and strategy devised by American leaders went awry but also traces the extraordinary acts of heroism on the part of American soldiers many of whom lost their lives fighting the North Vietnamese in this hostile forbidding terrain This book which fills a gap in the historiography of the Vietnam War will appeal to scholars seeking to enhance their understanding of major events and turning points in the war as well as to students of military history and strategy

The Captain of the Gray-horse Troop Hamlin Garland, 1902 The Indian Wars are over The rivers that ran with blood are clear The plains that rang with war cries and gunshots are silent But now a new war is about to start Deadlier bloodier and even more cruel Captain George Curtis of the U S Cavalry has been sent to take over the Indian Agency at Pine Ridge His job is to make and maintain a fragile peace between cattlemen and the Indians What Curtis doesn t know is that he has secret enemies in Washington who want him to fail

Custer's Luck Edgar Irving Stewart,1955 This is undoubtedly a remarkable book on a period of American history about which much has been written the period of the Indian wars in the Northwest from the close of the Civil War until the Custer disaster on the Little Big Horn It presents in graphic detail and on a vast canvas the great events and the small which reached a decisive crescendo in Custer's fate Here is no savage battle incident presented in isolation from other events but a sweeping panorama of a whole ere inept hesitant and tragic To insure comprehensiveness the author describes the pertinent facts of the Grant administration the embitterment of the Great Plains tribes and the deteriorating Civil War army The book is the record not only of the dashing Seventh Cavalry and its leader but also of the Grant Custer feud Sitting Bull the Belknap scandal Rain in the Face the battle strategy of the Indians and Custer's military rivals Particular note is taken of the effect on history of Custer's recklessness and glory seeking and of the superstitions and fatalistic determination of the Sioux and the Cheyennes The Battle of the Little Big Horn reconstructed in this account largely on Indian eyewitness testimony climaxed the long developing tragedy and provided a smashing crescendo to the vacillating policy of the United States government towards the Indians of the Great Plains A four color reproduction of an oil painting by John Hauser entitled *The Challenge* has been selected for the cover of *Custer's Luck* The original canvas is in the collection of the Thomas Gilcrease Institute of American History and Art Tulsa Oklahoma and the publishers gratefully acknowledge the cooperation of that organization in making this reproduction possible
