analysis of leitmotif of American Dream or American Nightmare

The American Dream is a concept that has been around since the early 20th century. It is the idea that anyone can achieve success and wealth through hard work and determination. In the novel, Gatsby represents the American Dream, as he has built up a fortune through illegal means and is now trying to win back his lost love, Daisy. The American Dream is a double-edged sword, as it can lead to both success and failure. Gatsby's dream is ultimately a nightmare, as he is unable to win back Daisy and ends up dying.
