Africa, the Origin of Life and Black the Color of God Tiebet Joshua, 2016-03-24 THE BOOK Africa The Origin of Life is a 10 year painstaking research on the Bibles story of mankinds cosmogony of which 7 out of the 10 years spent on the research were on full time basis The Bible says that God created one man in the beginning and went ahead to describe the location of the habitation of the first man Two important issues in the Bibles story were of great interest to the Author for which he set out to research These were If the Bible story were taken to be true it then means that the multi races and colors in humanity today only came to be years after the creation of the first man which means that originally humanity only had one race and color from that man to a certain point in its history That being so what was the original color of that man In other words was he a Caucasian a Mongolian a Negro or an Amerindian and when did the multi races and colors of people that we have today come to be The earth has gone through so many changes through earthquakes landslides tumults ocean drifts and desert encroachments and etc over the years since the creation of the first man Taking all these into consideration is it still possible to establish the location of Eden where our first parents lived In other words was Eden in America Europe Asia or Africa And if we are able to establish the continent which Eden was located is it not correct to say that the first man was a native of that continent Africa is poor and backward today what are the causes of Africas backwardness Is there any hope for Africa or has God forsaken Africa These and more are the salient questions that this book has biblically scientifically and historically found answers to The book is highly explosive and revealing It would cause so much ripples and likely going to change some of your Biblical beliefs **The Complete Layman's Guide To End Times Prophecy A Biblical Perspective** Robert R.

Ramirez, 2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman's Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible

Looking into the Revelation Dr. Boyd O. Gray,2013-08-30 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that Gods Word is the trutha message he hopes will motivate sinners to heed the Lords gracious call to salvation Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ **Yahweh for Christians** Messianic Rabbi Minister Yehonathan Daweed,2021-08-25 Yahweh for Christians I Am Original Words Original Truth By Messianic Rabbi Minister Yehonathan Daweed Yahweh for Christians is a work unlike any other on your book shelf No other work of this weight and of this topic gives us a historical examination across the history of man as this work does Yahweh for Christians states that there is an epic struggle between the Sacred Name and an intelligent opponent that goes beyond our appreciation This attack is not benign but is violent and affects all

life as we know it This battle defines our conscious and unconscious lives so that we do not know that true life is altered beyond recognition As such this is plenary deleterious to our existence Yahweh for Christians will present actual history revealing the collateral lies of wrote history It will connect the dots to creation Judaism Catholicism Christianity Islam Japheth Shem Ham Egypt Greco Rome Germany the dark ages the crusades Great Britain slavery the world wars our present time and our soon coming end All of which is a complex systematic intelligent designed orchestration of spiritual warfare of a great lie versus a great truth If this struggle is so ranging and daunting as stated above then this work is one of grave importance The simplicity of word study is the chief tool utilized by this work to access the etiology of knowledge Original words will deposit the student to original truth *na* Clinton E.
