

Chapter Summaries & Analyses

Chapter 1

Chapter 1 Summary

Nickato Nick Carraway relates details about his upbringing in an affluent Midwest setting. He explains that while they represent themselves as descendants of royalty, their origins only go back as far as Dutch, Irish, and confounding hardwired stone progenitor. Supported by family wealth, Nick graduates from Yale in 1915 and fought in World War I. Postwar, after the war, Nick forgoes returning to his family and moves to New York to pursue a career as a bond salesman. Instead of being in New York City, he settles in one of the nearby wealthy town of West Egg on Long Island.

Nick lives at the end of West Egg closest to the more fashionable East Egg. Across from the Long Island Sound. From his house, he can see the neighboring Jansons' mansion, but just as he belongs to Gatsby. That house is a conspicuous and "colossal" neighborhood home, with a wealth exceeding good.

Nick has acquaintances in East Egg: his second cousin Daisy lives there with her husband Tom Buchanan, whom Nick knew at Yale. Tom is an excellent college football player and comes from a very wealthy family. Their home is described as a "colossal" Colonial mansion overlooking the bay" (15), covered like Gatsby's in ivy.

Tom often evokes the sense of his wealth, privilege, and tendency to come across as haughty. On a visit to the Buchanans' home, Nick observes how with them as well as their friend, Miss Jordan Baker, who looks familiar to Nick.

During a friendly and privileged conversation among the group, Tom mentions "The Rise of the Colored Empires," a racist book about predicting the White race. Tom claims the book's arguments are scientific fact. He explains that the "colored races," of whom he says he and Nick are members, played civilization for and against Tom in this discussion, and Nick is perturbed by it.

After some awkward words from his father, Tom leaves the table. He is quickly followed by Daisy. Nick attempts to maintain light conversation, but Jordan interrupts. She explains that the interruption in dinner has to do with an affair Tom's having with a woman who lives in New York City. According to Jordan, the mistress may have been recently called during dinner. Tom and Daisy return just after Miss Baker's explanation. Daisy retreats from the obvious tension by describing a nightingale that she claims to have heard singing on her lawn.

The phone rings, and tension overwhelms the gathering. Nick is particularly depressed by the situation. After a few minutes the group splits up in the library. Tom and Jordan wander around where Nick is left
