Douglas Jacobsen, 2021-04-20 This accessible textbook describes Christianity, the world's largest religion, in all of its historical and contemporary diversity. No other publication includes so much information or presents it so clearly and winsomely. This volume employs a religious studies approach that is neutral in tone yet accommodates the lived experiences of Christians in different traditions and from all regions of the globe. The World's Christians is a perfect textbook for either public university classrooms or liberal arts campuses. Divided into three parts, the text first describes the world's four largest Christian traditions: Eastern Orthodox, Roman Catholic, Protestant, and Pentecostal, which together account for roughly 98 percent of all Christians worldwide. A second section focuses on Christian history, explaining the movement's developing ideas and practices and examining Christianity's engagement with people and cultures around the world. The third and longest portion of the text details the distinctive experiences, contemporary challenges, and demographics of Christians in nine geographic regions, including the Middle East, Sub-Saharan Africa, Latin America, Eastern and Western Europe, South Asia, North America, East Asia, and Oceania. The second edition of this popular text has been thoroughly rewritten to take recent developments into account, and each chapter now includes two primary source readings highlighting the diversity of voices that exist within the world Christian movement. Like the first edition, the revised text is enhanced with easily understandable maps, charts, tables, and illustrative photographs. In summary, this new and improved second edition of The World's Christians is written in a clear style that readers will find engaging, enriched by the addition of thought-provoking primary source readings, thoroughly revised to bring the story of Christianity up to the 2020s, more geographically comprehensive than any competing text, more

theologically ecclesiastically comprehensive than any competing text amply illustrated with maps charts tables and photographs perfect for use in the classroom or for general readers who want to understand the full diversity of Christianity as it currently exists around the world There Is More Brian Houston,2018-03-20 Founder and Global Senior Pastor of Hillsong Church and author of LIVE LOVE LEAD shows how with God s power you can believe and achieve a life that exceeds every earthly expectation When you surrender control and follow God s guidance you become empowered and equipped to do the impossible reach higher and go further than you could have ever imagined giving Him all the glory By building our lives around godly principles surrounding ourselves with wisdom and living for a cause greater than ourselves we can effectively live out God s purposes and have an enduring impact As Brian Houston has personally discovered when we depend on Jesus as the source for our identity our lives can be a lasting legacy that maximize the gifts He has given each of us as unique individuals There is More is for anyone who wants to be challenged to live with expectancy Ephesians 3 is a call to release the immeasurable potential within you and the exceeding abundant and above plans and purposes of a Holy God that are beyond your greatest imagination Now to Him who is able to do exceedingly abundantly above all that we ask or think according to the power that works in us to Him be glory in the church by Christ Jesus to all generations forever and ever Amen Ephesians 3 20 21 Given Kenneth John,2017-11-14 We all have just one life One that may be too short lived for some and yet seemingly too long for others But one that come its end will undoubtedly abound with tales and truths of things gravely gotten and people greatly given This is one such story Which in truth is probably the same story thats been told a thousand times before About things that always have been and always will It is a love story An uninhibited exposition of infinite love that beckons the answers to some of the questions common to us all And ultimately offers an understanding of a belief that in the beginning and the end it is not and is not to be taken but rather love is given **The Worship Guitar Anthology - Volume 1 (Songbook)** Hal Leonard Corp.,2012-09-01 Guitar Collection This collection contains melody lyrics chords for 100 sacred favorites such as Beautiful One Forever Here I Am to Worship Hosanna Praise Is Rising How He Loves In Christ Alone Mighty to Save Our God Revelation Song Your Grace Is Enough and dozens more Sharpen Your Sword Joanne Delanoy,2017-05-26 At the moment of surrender to Jesus Christ we become a new creation and gain a new identity Sharpen Your Sword examines what it means to walk confidently in this new creation identity It explores four key factors that are vital on the journey to step into all that God has called you to be and to live the dreams he has planted in your heart With this devotional study your walk with Jesus will be deepened through reflection questions journaling prayer and transformational tips for practical applications in your life The exploration through these pages will lead you down the path to the spacious life that Jesus died for you to have Thirty percent of the profits from the sale of Sharpen Your Sword will be shared with the A21 Campaign Compassion Canada and Home of Hope More information about these amazing charitable organizations can be found on their websites a21 org compassion ca andhomeofhope ca OUTCRY Ryan
