Greg Laurie On Grieving:

Hope for Hurting Hearts Greg Laurie, 2023-09-05 We have a tendency to go about our day to day routines under the assumption that this earthly existence of ours will never change But it does and it will Our residency here on Earth is quite brief and precarious Nothing brings that more to light than when a loved one unexpectedly steps out of this life into eternity We are shaken and begin to ask the bigger questions Is Heaven real Will I see them again How can I know for sure In these pages Greg Laurie shares the good bad and ugly of his own heartbreak from the unexpected loss of his son Christopher He offers comfort to other bruised hearts and provides a hope that will sustain you through this life and beyond *Daily Hope for Hurting Hearts* Greg Laurie, 2014-05-10 Life is fragile But hope in Christ lasts forever The Bible calls human life a vapor A mist A wisp of fog A flower that springs up in the morning and fades away by mid afternoon We like to think we have years to pursue our goals raise our families and make a difference in the world But we just don't know The fact is our stay on earth is really very brief And when a loved one unexpectedly steps out of this life into eternity it shakes us to the core We ask ourselves Is heaven real Will I see him will I see her again Will we be together again How can I know for sure Pastor Greg Laurie crafted many of the devotionals in this audio book after the sudden departure of his son Christopher to heaven Each day offers comfort to bruised hearts perspective in times of confusion and pain and a hope that will sustain us through this life and beyond **God's Answer to Fear, Worry, and Anxiety** Greg Laurie, 2019-07 Are you are gripped by fear overwhelmed with anxiety or choked out by worry With global threats dangers political uncertainty pressures and personal fears about health and money how do you respond when crisis hits Do you rely on people your career your bank account or religion to hold you up As Pastor Greg Laurie writes Contentment doesn't come from what you have but who you know God's promises keep our fear anxiety and worry in check It's only through Christ that we can face life's challenges with confidence knowing that He is not only the light at the end of the tunnel He is also there with us in the tunnel This book will encourage you to have hope even if your situation seems utterly hopeless *Why, God?* Greg Laurie, 2007-11-01 Sometimes in the pain of difficult life experiences we look to heaven for quick explanations But we don't always get the answers we're looking for When Job's whole world caved in on him he didn't understand why God allowed suffering and grief to crash into his life The prophet Daniel might have wondered the same thing along with Shadrach Meshach and Abednego What do you do when questions burn in your heart and heaven seems silent Here's how to stay on course and find your way when all the lights go out and answers seem just out of reach *Circle of Sorrow* Keallie Wozny, 2025-08-19 Losing a child from any cause is heartbreaking and life changing but losing a child to suicide carries unique aspects among them guilt shame bewilderment and stigma Circle of Sorrow provides a glimpse into the heart wrenching journey of grief thrust upon parents when a child takes his or her own life Although directed especially toward parents this book is also a valuable resource for other family members and friends as well as pastors counselors and physicians covering such topics as The Unforgivable Sin stigma the

physical toll on the bodies of those going through intense grief and whether our children can communicate with us from beyond

Written from a first person perspective in this book the author offers insights into how she navigated the many foreign aspects of grief and the myriad of practical matters that dropped onto her shoulders after the death of her son

Leaning consistently on her faith in Christ she finds hope even in grief *For Those of Us Waiting on That Day!* Ann Dillon, 2015-08-20

Anyone that has had a loved one go home knows the pain and sorrow that can overwhelm them The loss of a loved one can send you into a deep abyss of pain and sorrow Do you wonder where your loved one is What is he or she doing What is Heaven like How do you find comfort in the pain Where is God when it hurts This book was written as the author found herself asking the same questions when while still grieving the loss of her dad her strong healthy husband had a sudden heart attack On November 2 2011 her husband of thirty eight years was called home to heaven Trying to hold on to her faith while reeling from shock and grief she threw herself into studying Gods Word and holding on to her faith while she tried to seek answers and comfort Being unable to find a devotional that was specifically for grieving Christians lead her to write her first book You will find comfort and assurance that you will be reunited with your loved one in the scripturally based devotions as you read what God has laid on her heart Ann gives you a daily devotional that helps you focus on heaven Gods sovereignty and everlasting love eternity and that glorious day we will be reunited with our loved ones and help you find comfort and an eternal perspective as you wait on that day **Grieving For Dummies** Greg Harvey, 2011-04-18

Coping and recovery strategies for dealing with the loss of a loved one Whether the death of a loved one is sudden or expected grieving the loss is a difficult yet transformative process Grieving For Dummies approaches this very important subject with sensitivity helping readers who are grieving the loss of a loved one as well as those who want to support them in this process This compassionate guide covers all types of profound losses including parents spouses and partners children siblings friends and pets It also addresses children s grieving and how the manner of death may cause additional hurdles to grieving the loss The book is filled with practical suggestions for moving through the phases stages and tasks of grieving with an eye towards successfully integrating the loss of a loved one while at the same time keeping the love shared alive **Held by God** Lori Phillips, Lynn Willers, 2015-10-30

How can we find hope that carries us through the difficulties in life At some point all of us face times of hardship suffering and despair that can turn our lives upside down and break our hearts wide open During these trials we may feel alone overwhelmed by circumstances and afraid that God has abandoned us In the fog of adversity we hold our broken hearts in our hands and cry out to God Why How could you let this happen Where were you Catastrophe can shake the stability of our world leaving us to wonder about Gods love for us and raising even more questions Why am I suffering Will this trial ever end How will I get through this Does God even see me In *Held by God* the authors share their own struggle with these questions as the family travels an uncertain road through three serious medical challenges catamenial pneumothorax renal artery stenosis and cancer Written in a conversational style that weaves Biblical truths

throughout the narrative the book intertwines the authors story with the accounts of Job Paul and King David among others to provide unique examples of Gods unchanging character Understanding Gods faithfulness and recognizing his provision allows us to find rest during times of turmoil and gives us a hope that endures Grief as a Family Process Ester R. Shapiro,1994-08-05 Grief as a Family Process draws on many sources such as developmental psychology psychoanalytic and family systems theory and cultural anthropology Using examples from a wide variety of cultural traditions this book argues for a transformation of attachment to instead of detachment from the deceased family member to sustain and enhance family development e-Jeanne: 2004 (Part One - January through June) Jeanne Halsey,2013-02-17 Once I got started I couldn't stop The history of e Jeanne began around 1999 really ramped up when 9 11 hit our nation became more organized and intentional thereafter and continued until 2005 You see e Jeanne was a precursor of currently popular blogs although we called her an e zine She was assembled early in the morning right after my morning devotions in fact I realize that many of my morning devotions somehow crept into the e Editorials and then forwarded by e mail to over 300 people all around the world I did this two or three days a week for 10 years Like I said maybe I am a little crazy This is not a book you can rush through unless you are only looking for jokes and I am astonished how small the font has to be in order to fit everything in you're going to need a bookmark to help mark your spot Always my goal was to fulfill Let your good works shine out for all to see so that everyone will praise your Heavenly Father Matthew 5:16 **Every Day with Jesus** Greg Laurie,2004 A well known expert at working with new believers and helping them grow closer to Christ so they'll flourish in their relationship with God presents this daily devotional that offers structure and biblical inspiration for new Christians **Being Christian After the Desolation of Gaza** Bruce Norman Fisk,J.
