The Black God (#2, Damian Eternal) Lizzy Ford, 2015-06-02 Jonny Rodriguez ascended to his position as the Black God mere days after learning he was a Natural, a human with supernatural abilities. He gave up all thoughts of a normal life as well as his humanity to lead the ongoing struggle between the vampires he commands and the Guardians, the immortals charged with protecting humans. Six grueling years later, he's managed to reconcile who he is and what he must do to maintain order and control. However, the old guard in his vamp army resents the changes he's made as part of a truce with the White God. Jonny's army splinters in two, and the old guard tries to rekindle the war between vamps and Guardians. Jonny has little time to crush the rebellion before any chance at coexistence with humanity is gone. When a vigilante disables his ability to track the rogue vamps, he's forced to confront a face from his past, one he's never truly forgotten. His first love, Ashley, is everything he doesn't need in his life. She's reckless, stubborn, and strong, a Natural whose warrior abilities are unmatched. Worse, she's the adopted daughter of Xander, the Original Vamp, who Jonny needs on his side to keep the Guardians from attacking until he has his house in order. With civil war looming, a furious White God at his doorstep, and dwindling allies, Jonny can't ignore his lingering feelings for Ashley and walks away or tries to. When Ashley's life falls into Jonny's hands, he's forced to realize that sometimes love runs deeper than blood.

Xander's Chance (#1, Damian Eternal) Lizzy Ford, 2013-03-20 As the single most powerful vampire on the planet, Xander is the ultimate bored predator with too much time on his hands. He manipulates the minds of immortals for fun and bullies around the Gods while guarding the secret source of his power, a crystal that can wipe out the planet. But beneath the surface

he is a shrewd creature who learned the brutal lesson of why there must be a balance between good and evil. An unwilling protector of the playthings known as humans, he knows when and where to use his power and never to let anyone close enough to betray him. It's easy to do since he has the power to read the minds of everyone around him. Except for one, Jessi, an innocent-looking woman with an unusual talent who shows up unexpectedly in his life. Her sudden appearance is too convenient to be coincidence or chance. Xander determines quickly that she was sent by someone but he can't read her mind to discover why. Jessi's secret and Xander's have the power to forever change the human world. Intrigued by a new sort of challenge, Xander won't know how much danger he's in until he's placed his fate in the hands of a woman whose betrayal will cost either his heart or his life.

Autumn Storm (#2, Witchling Series) Lizzy Ford, 2017. A girl with no memory hidden in plain sight. A boy with no hope spiraling into Darkness. Only one knows the truth and only one has the power to save them. Autumn doesn't know why she remembers a boarding school she's never visited or why her reflection is sometimes that of a ghost named Summer. She struggles to recover her memories and understand the warnings conveyed through her magick. Caught between the Turner twins, she isn't certain who to trust: Decker, the mysterious Master of Dark who makes her heart catch, or Beck, the cautious Master of Light whose touch soothes her pain. Unable to recover from Summer's death, Decker slowly surrenders to the Dark. The guilt he feels when he falls for Autumn and betrays Summer's memory drives him farther from the Light until he completely loses control and takes the souls of Light witchlings. As the protector of Light, Beck is caught between his allegiance to his twin and his vow to protect new witchlings. He must keep the Darkness from consuming his brother; for if Decker fails, he'll take down the only person who has a chance of saving them all.

Winter Fire (#3, Witchling Series) Lizzy Ford, 2017. A beautiful fire witchling with a dangerous secret. A race to save the Light from permanent Darkness. A Dark threat unites with an ancient evil. If the Master of Light, Beck, has learned anything over the past few months, it's never to trust a pretty girl or his own judgment: the source of several messes he's working hard to right. He saved his brother and girlfriend from Darkness but faults himself for not protecting them in the first place, like he's sworn to. The Light is receding again, and his earth magick warns him that an ancient danger has re-emerged in the hands of a beautiful, conflicted girl who's caught between Light and Dark. Drawn to her beauty and gentle heart, Beck is astonished to learn her magick will do more than set his blood on fire. Like his twin, the Master of Dark, Beck has a counterbalance: a woman who can help him protect the Light if she doesn't fall to the Dark like the fire witchlings before her. Hurt too often by bullies in her own life, Morgan tries to protect those around her from similar pain. She and her brother arrive at the boarding school in the Rocky Mountains only for Morgan to make enemies instantly with Dawn, the Dark witchling who tried to kill Summer twice. But Morgan is hiding something: a source of ancient evil known as a soul stone passed down through a thousand years of fire witchlings. Fire repels the coldness of the Dark, and only fire witchlings can safeguard the stone. Taking it into the middle of the source of Light awakens its powers. It finds an ally in Dawn and teaches the Dark witchling how to evade and

seek her revenge upon the Masters of Light and Dark Morgan grabs the soul stone and runs only to entangle Summer and Biji in her desperate attempt to protect Beck Hidden from the Masters of Light and Dark they must find a way to escape Dawn with their lives and souls **Spring Rain (#4, Witchling Series)** Lizzy Ford,2017 A Dark soul gathering magick The Master of Light struggling to find his place The alluring Fire witchling who holds the key to helping him Darkness looms over the school for witchlings where the Master of Light Beck races to control his magic so he can protect the innocent He struggles to balance his duty with his broken heart and to understand how to move on from what he considers his ultimate failure his inability to save the woman he loved Morgan is on the run for a good cause The soul stone she carries could kill Beck and everyone else she cares about if she s caught by the Dark witchlings pursuing her Neither Light nor Dark she begins to think she ll spend her life in the shadows undeserving of Beck s love and alone with her secret When the paths of Beck and Morgan collide again there isn t time for doubt or fear They must work together to tackle the Dark soul that wants them both dead To do so there can be no more secrets between them Without Trust Love and Light the witchlings will perish
