Hip Hop Will Save The World:

Black Acting Methods Sharrell Luckett, Tia M. Shaffer, 2016-10-04 Black Acting Methods seeks to offer alternatives to the Euro American performance styles that many actors find themselves working with. A wealth of contributions from directors, scholars, and actor trainers address Afrocentric processes and aesthetics, and interviews with key figures in Black American theatre illuminate their methods. This ground-breaking collection is an essential resource for teachers, students, actors, and directors seeking to reclaim, reaffirm, or even redefine the role and contributions of Black culture in theatre arts. Chapter 7 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non-Commercial No Derivatives CC BY-NC-ND 4.0 license. **The Disturbing Profane**

Joseph R. Winters, 2025-07-04 Joseph R. Winters explores how hip hop troubles notions of the sacred and the profane, arguing that it opens up its audience to a volatile notion of the sacred and the unruly qualities of Blackness. **Playwriting with**

Purpose Jacqueline Goldfinger, 2025-06-16 Playwriting with Purpose: A Guide and Workbook for New Playwrights, Second Edition, provides a revised and greatly expanded holistic approach to playwriting from an award-winning playwright and professor. This book incorporates craft lessons, scenes for study, and concrete guidance in both the art and business of playwriting. The author takes readers through the entire creative process from creating characters and writing dialogue to revising and producing your play. Each chapter includes incisive craft lessons, provocative writing prompts, examples from plays, tips from working artists, reading recommendations, and more. Thoroughly revised, new features to this edition include vastly expanded sections on structure, world building, business of playwriting, writing for television and film, and more. New writing exercises and pro tips from working playwrights in each chapter. An exploration of art and craft through a new selection of international plays. Shorter chapters with more subject headings to make it easier to find the exact craft lesson or writing prompt you want when you want it. Playwriting with Purpose gives writers and students the tools to succeed in today's theater industry. **Images and Idols** Thomas J. Terry, J. Ryan Lister, 2018-10-02 Christians ought to be leading the way in creativity, but we rarely do. God is the Creator of all things, and He created us in His image. Creativity is woven into the very fabric of our humanity. Therefore, Christians should value and champion creativity as a vital part of our image-bearing role. Instead, Christians often don't know what to do with creatives, and creatives don't know what to do with Christianity. On one side, you have Christians who neglect or discount art, imagination, and beauty altogether. On the other, you have artists who make idols out of each of these good things. Ryan Lister, a theology professor, and Thomas Terry, a spoken word artist and founder of Humble Beast, team up to help restore the connection between creativity and theology. **Images and Idols** is a theological and artistic exploration of creativity in the Christian life. It will help creatives build a strong theological foundation for their art while challenging the church to embrace a theology of beauty and creativity. **SPIN**, 1993-12 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical

landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks
