Tricksters and Estates J. Douglas Canfield, 2021-12-14 If the Renaissance was the Golden Age of English comedy the Restoration was the Silver These comedies are full of tricksters attempting to gain estates the emblem and the reality of power in late feudal England The tricksters appear in a number of guises such as heroines landing their men younger brothers seeking estates or Cavaliers threatened with dispossession The hybrid nature of these plays has long posed problems for critics and few studies have attempted to deal with their diversity in a comprehensive way Now one of the leading scholars of Restoration drama offers a cultural history of the period s comedy that puts the plays in perspective and reveals the ideological function they performed in England during the latter half of the seventeenth century To explain this function J Douglas Canfield groups the plays into three categories social comedy which underwrites Stuart ideology subversive comedy which undercuts it and comical satire which challenges it as fundamentally immoral or amoral Through play by play analysis he demonstrates how most of the comedies support the ideology of the Stuart monarchs and the aristocracy upholding what they regarded as their natural right to rule because of an innate superiority over all other classes A significant minority of comedies however reveal cracks in class solidarity portray witty heroines who inhabit the margins of society or give voice to folk tricksters who embody a democratic force nearly capable of overwhelming class hierarchy A smaller yet but still significant minority end in no resolution no restoration but at their most radical playfully portray Stuart ideology as empty rhetoric Tricksters and Estates is a truly comprehensive work offering serious critical readings of many plays that have never before received close attention and fresh insights into more familiar works By juxtaposing the comedies of such lesser known playwrights as Orrery Lacy and Rawlins with those of more familiar figures like Behn Wycherley and Dryden the author invites a greater appreciation than has previously been possible of the meaning and function of Restoration comedy This intelligent and wide ranging study promises is a standard work in its field

God's Person and Eternal Plan Fred Beck, 2024-07-02 Because the book is based on selected stories from the entire Bible readers discover many insights of the person of God and how He patiently and lovingly works in and through His people Moses asked God Show me Your Glory So the Lord concealed by a cloud passed by Moses and revealed His moral attributes holy righteous compassionate gracious and abounding in loving kindness and truth integrity to His own moral character God also forgives iniquity perversity transgression rebellion against God and His morals God forgives sin missing the target God sets for us God is slow to anger yet He will punish the guilty those who refuse to repent and to acknowledge Him as Savior and Lord The author seeks to tell the stories in ways that are true to Scripture all stories have many quotes from Scripture The author also seeks to read between the lines and to reveal history settings beliefs and emotions Such things help anchor the stories to real life and enable readers relate God s stories

to their own lives While reading the OT stories readers will experience mini revelations as God interacts with different people situations and cultures Thus readers are prepared for God s full revelation of Himself in Jesus As readers enter the NT stories of Jesus they grow close to Him Then the crucifixion resurrection and ascension of Jesus makes many ask What now Then the Holy Spirit bursts on the scene just like Jesus promised As readers continue through the stories of Acts and Apostles they discover the spread of faith and the growth of the church Those Bible stories become pieces of a big puzzle revealing the person of God and His eternal plan for us That realization begins to take over the readers hearts and minds The author prays that this book will be discovered by Christians whose spiritual growth has been stopped due to their confusion and fear brought about by the growing culture of unbelief in our nation The church is under siege across the world However God is God and His word guarantees victory
