Friedrich Nietzsche (English Edition) Georg Brandes, 2015-02-25 Example in this ebook AN ESSAY ON ARISTOCRATIC RADICALISM 1889 Friedrich Nietzsche appears to me the most interesting writer in German literature at the present time Though little known even in his own country he is a thinker of a high order who fully deserves to be studied discussed contested and mastered Among many good qualities he has that of imparting his mood to others and setting their thoughts in motion During a period of eighteen years Nietzsche has written a long series of books and pamphlets Most of these volumes consist of aphorisms and of these the greater part as well as the more original are concerned with moral prejudices In this province will be found his lasting importance But besides this he has dealt with the most varied problems he has written on culture and history on art and women on companionship and solitude on the State and society on life s struggle and death He was born on October 15 1844 studied philology became in 1869 professor of philology at Basle made the acquaintance of Richard Wagner and became warmly attached to him and associated also with the distinguished historian of the Renaissance Jakob Burkhardt Nietzsche s admiration and affection for Burkhardt were lasting His feeling for Wagner on the other hand underwent a complete revulsion in the course of years From having been Wagner s prophet he developed into his most passionate opponent Nietzsche was always heart and soul a musician he even tried his hand as a composer in his Hymn to Life for chorus and orchestra 1888 and his intercourse with Wagner left deep traces in his earliest writings But the opera of Parsifal with its tendency to Catholicism and its advancement of the ascetic ideals which had previously been entirely foreign to Wagner caused Nietzsche to see in the great composer a danger an enemy a morbid phenomenon since this last work showed him all the earlier operas in a new light During his residence in Switzerland Nietzsche came to know a large circle of interesting people He suffered however from extremely severe headaches so frequent that they incapacitated him for about two hundred days in the year and brought him to the verge of the grave In 1879 he resigned his professorship From 1882 to 1888 his state of health improved though extremely slowly His eyes were still so weak that he was threatened with blindness He was compelled to be extremely careful in his mode of life and to choose his place of residence in obedience to climatic and meteorological conditions He usually spent the winter at Nice and the summer at Sils Maria in the Upper Engadine The years 1887 and 1888 were astonishingly rich in production they saw the publication of the most remarkable works of widely different nature and the preparation of a whole series of new books Then at the close of the latter year perhaps as the result of overstrain a violent attack of mental disorder occurred from which Nietzsche never recovered To be continue in this ebook Publications Ballad Society, 1895 **Historical Essays** Edward Augustus Freeman, 1892 **The Roxburghe Ballads** , 1897 *The Roxburghe Ballads, Etc* Ballad Society (London), 1895 *The Social Cancer: A Complete English Version of Noli Me Tangere* José Rizal, 2023-11-16 Jos Rizal s *The Social Cancer A Complete English Version of Noli Me Tangere* is a groundbreaking work that exposes the injustices and corruption prevalent in Filipino society during the

Spanish colonial period Written in a socio political context the novel delves into themes of abuse of power social class disparities and the struggle for national identity Rizal s literary style is characterized by vivid descriptions compelling dialogues and insightful social commentary making it a classic masterpiece of Philippine literature The book serves as a powerful critique of the oppressive Spanish regime shedding light on the harsh realities faced by the Filipino people at that time Through his storytelling Rizal aims to awaken the readers consciousness and inspire them to take action against injustice Jos Rizal a prominent Filipino nationalist and intellectual was deeply committed to the cause of social reform and independence His firsthand experiences of colonial abuse and his visionary perspective on liberation informed his writing of *The Social Cancer* Rizal s background as a physician writer and activist shaped his unique voice and perspective on societal issues making this novel a timeless and relevant piece of literature I highly recommend *The Social Cancer* to readers interested in exploring the complexities of colonial history social justice and national identity Rizal s poignant portrayal of the Filipino struggle for freedom will leave a lasting impact on anyone who delves into this thought provoking work
