Histoires De Masques:

Asymptote Robert Ziegler, 2009 *Asymptote* An Approach to Decadent Fiction offers a radically new approach to the psychology of Decadent creation Rejecting traditional arguments that Decadence is a celebration of deviance and exhaustion this study presents the fin de siècle novel as a transformative process a quest for health By allowing the writer to project into fiction unwanted traits and destructive tendencies by permitting the playful invention of provisional identities Decadent creation itself becomes a dynamic act of creative regeneration In describing the interrelationship of Decadent authors and their fictions *Asymptote* uses the mathematical figure of the asymptote to show how they converge then split apart and grow distant The author's approach to the facsimile selves he plays with and discards is the curve that never merges with his authorial identity In successive chapters this study describes the Decadents experimentation with perversion Huysmans's *A rebours* and Mendes's *Zo har* and their subsequent validation of social regulation and creative discipline It examines magic and its appeal to fantasies of elitism and omnipotence P. Ladon's *Le Vice supreme* and Villiers's *Ax l* then shows authors embracing the values of community and service It considers the Decadent text as a vehicle of change in which an artist ventilates fantasies of aggression and revenge Mirbeau's *Le Journal d'une femme de chambre* and Rachilde's *La Marquise de Sade* then employs writing as the means by which these feelings are discharged It examines creation as a form of play une ali nation gr ce laquelle l'esprit se r cup re sous la forme des autres Schwob's *Vies imaginaires* and Lorrain's *Histoires de masques* yet notes the Decadents decision to return to a single generative center Finally it examines creation as an expression of artistic transience and failure yet shows the Decadents success in commemorating the very forces of disintegration Rodenbach's *L'Art en exil* In considering the Decadents insistence on subjectivism and aloneness this study concludes Gourmont's *Sixtine* by showing their wish to escape the prison of identity and to redefine their art as cooperative creation

Histoires de masques Jean Lorrain, 1912 **Paris Concealed** James H. Johnson, 2025-01-22 A comprehensive history of masks in France from the seventeenth to the nineteenth century Masks can conceal disguise or protect They can guard status inspire delight or spread fear They can also betray trust through insincerity deceit and hypocrisy In *Paris Concealed* historian James H. Johnson offers a sweeping history of masks both visible and unseen from the time of Louis XIV to the late nineteenth century exploring the complex roles that masking and unmasking have played in the fashioning of our social selves Drawing from memoirs novels plays and paintings *Paris Concealed* explores the many domains in which masks have been decisive Beginning in the court of Versailles Johnson charts the genesis of courtly politesse and its widespread condemnation by Enlightenment philosophers and political thinkers He describes strategies deployed in the era of the French Revolution for unmasking traitors and later efforts to penetrate criminal disguises through telltale marks on the body He portrays the disruptive power of masks in public balls and carnivals and with the coming of modernity evokes their unsettling presence within the unconscious Compellingly written and beautifully illustrated *Paris Concealed* lays bare the mask's

transformations from marking one's position in a static society to inspiring imagined identities in meritocracies to impeding the elusive search for one's true self To tell the history of masks Johnson shows is to tell the history of modern selfhood

Magic and Mysticism in Fin-de-siècle France R. Ziegler, 2012-06-07 An interdisciplinary study of the supernatural and the occult in fin de siècle France 1870 1914 the present volume examines the explosion of interest in devil worship magic and mysticism both from an historical perspective and through analysis of key literary works of the period **The Saturday Review of Politics, Literature, Science and Art**, 1903 Plato and Socrates Richard McKirahan, 2012-09-10 A comprehensive bibliography on all scholarly work that was published on Plato and Socrates during the years 1958 73 The author has sought to include all materials primarily concerned with Socrates and Plato together with other works which make a contribution to our understanding of the two philosophers Lesbian Decadence Nicole G. Albert, 2016-02-23 In 1857 the French poet Charles Baudelaire who was fascinated by lesbianism created a scandal with *Les Fleurs du Mal* The Flowers of Evil This collection was originally entitled *The Lesbians* and described women as femmes damnées with disordered souls suffering in a hypocritical world Then twenty years later lesbians in Paris dared to flaunt themselves in that extraordinarily creative period at the turn of the 19th and 20th centuries which became known as the Belle époque Lesbian Decadence now available in English for the first time provides a new analysis and synthesis of the depiction of lesbianism as a social phenomenon and a symptom of social malaise as well as a fantasy in that most vibrant place and period in history In this newly translated work praised by leading critics as authoritative stunning and a marvel of elegance and erudition Nicole G. Albert analyzes and synthesizes an engagingly rich sweep of historical representations of the lesbian mystique in art and literature Albert contrasts these visions to moralists' abrupt condemnations of the lesbian vice as well as the newly emerging psychiatric establishment's medical fury and their obsession on cataloging and classifying symptoms of inversion or perversion in order to cure these unbalanced creatures of love Lesbian Decadence combines literary artistic and historical analysis of sources from the mainstream to the rare from scholarly studies to popular culture The English translation provides a core reference text for those interested in the Decadent movement in literary history in French history and social history It is well suited for courses in gender studies women's studies LGBT history and lesbianism in literature history and art *Catalogue of Copyright Entries* Library of Congress.
