Dialogue with the Past Glenn Whitman, 2004-09-15 Oral history is a marvelous force for empowering young people with a love of history But educators today may wonder how they might use it to inspire their students while still teaching the necessary curriculum and meeting standards In *Dialogue with the Past* Glenn Whitman addresses these concerns from his own rich experience and that of many other teachers and students He helps readers understand the background and methodology of oral history guides them in creating and conducting an oral history project in the classroom and directly addresses the issue of meeting standards Peppered with useful tips examples from

students and teachers and reproducible forms along with a comprehensive bibliography this book will be a vital and inspirational tool for anyone working with secondary students Visit the authors web page **Rubric Nation** Michelle Tenam-Zemach, Joseph E. Flynn, 2015-04-01 What is a rubric and how are they being used in teacher education and evaluation When did rubrics become ubiquitous in the field of education What impact do rubrics have on students teachers teacher educators and the educational enterprise This book is an edited volume of essays that critically examine the phenomenon of rubrics in teacher education evaluation and education more broadly Rubrics have seen a dramatic rise in use and presence over the past twenty five years in colleges of education and districts across the country Although there is a wealth of literature about how to make rubrics there is scant literature that explores the strengths and weaknesses of rubrics and the impact the rubric phenomenon is having in reshaping education The chapters included in this edited volume will critically reflect on the contemporary contexts of rubrics and the uses and impact of rubrics in education Since rubrics have become indelible in education it is necessary for a fuller nuanced discussion of the phenomenon Creating a book that explores these aspects of rubrics is timely and fundamental to expanding the discourse on this ubiquitous evaluation tool This book is not meant to be a series of chapters dedicated to best practices for creating rubrics nor is this text meant to present all sides of the rubric discussion Rather this text intends to offer critical polemics about rubrics that can spur greater critical discussion about a phenomenon in education that has largely been unquestioned in the literature **Assessing Disciplinary Writing in Both Research and Practice** Wright, Katherine Landau, Hodges, Tracey S., 2023-08-01 Assessing Disciplinary Writing in Both Research and Practice tackles the challenge of measuring writing skills in specific content areas which is crucial for preparing students to communicate as field experts and for their future careers Edited by Katherine Wright Associate Professor of Literacy and Language at Boise State University and Tracey Hodges Founder and Lead Consultant of The Empowering Advocate this book provides solutions by bringing together validated measures and practical assessment strategies that can be used in both research and instruction The book s theoretical foundations cover multimodal disciplinary writing assessing disciplinary writing versus content area writing and using assessment as a tool for disciplinary writing instruction Practical methods for assessing writing in social studies science mathematics English and language arts and other genres at the elementary middle and high school levels are included as well as assessment strategies for specific populations of students such as undergraduate students English learners gifted and talented students special needs students and incarcerated students This highly valued reference is essential for academic scholars K12 teachers and educational researchers who want to improve writing instruction and research in content and discipline specific areas By providing validated measures and methods for assessing disciplinary writing this edited book helps bridge the gap between research and practice and enables practitioners to better measure student growth and improve writing instruction This publication is the first step towards advancing research and improving writing instruction in content and discipline specific areas **The**

Voice of the Past Paul Thompson, Joanna Bornat, 2017 Oral history gives history back to the people in their own words And in giving a past it also helps them towards a future of their own making Oral history and life stories help to create a truer picture of the past and the changing present documenting the lives and feelings of all kinds of people many otherwise hidden from history It explores personal and family relationships and uncovers the secret cultures of work It connects public and private experience and it highlights the experiences of migrating between cultures At the same time it can bring courage to the old meaning to communities and contact between generations Sometimes it can offer a path for healing divided communities and those with traumatic memories Without it the history and sociology of our time would be poor and narrow In this fourth edition of his pioneering work fully revised with Joanna Bornat Paul Thompson challenges the accepted myths of historical scholarship He discusses the reliability of oral evidence in comparison with other sources and considers the social context of its development He looks at the relationship between memory the self and identity He traces oral history through its own past and weighs up the recent achievements of a movement which has become international with notably strong developments in North America Europe Australia Latin America South Africa and the Far East despite resistance from more conservative academics This new edition combines the classic text of *The Voice of the Past* with many new sections including especially the worldwide development of different forms of oral history and the parallel memory boom as well as discussions of theory in oral history and of memory trauma and reconciliation It offers a deep social and historical interpretation along with succinct practical advice on designing and carrying out a project *The Voice of the Past* remains an invaluable tool for anyone setting out to use oral history and life stories to construct a more authentic and balanced record of the past and the present

Knowing and Writing School History Luciana C. de Oliveira, 2011-03-01 Because school history often relies on reading and writing and has its own discipline specific challenges it is important to understand the language demands of this content area the typical writing requirements and the language expectations of historical discourse History uses language in specialized ways so it can be challenging for students to construct responses to historical events It is only through a focus on these specialized ways of presenting and constructing historical content that students will see how language is used to construe particular contexts This book provides the results

of a qualitative study that investigated the language resources that 8th and 11th grade students drew on to write an exposition and considered the role of writing in school history The study combined a functional linguistic analysis of student writing with educational considerations in the underresearched content area of history Data set consisted of writing done by students who were English language learners and other culturally and linguistically diverse students from two school districts in California The book is an investigation of expository school history writing and teachers expectations for this type of writing School history writing refers to the kind of historical writing expected of students at the pre college levels
