Bringing History Alive through Local People and Places Lynne Dixon, Alison Hales, 2013-12-04 A much needed and delightful book It shows how history can be taught with the meaningful experiences of each child at its centre making connections between the child the locality and community the national and global past and concepts of time Throughout the authors empower teachers to adopt their philosophy by showing them how to plan select resources and strategies and reflect on ideas and case studies Hilary Cooper Emeritus professor of history and pedagogy The University of Cumbria UK Bringing

History Alive through Local People and Places puts the local environment and community at the heart of history showing how it can be used as the context for successful history teaching across the primary age range It considers how to develop children s concepts and skills through local history how to link local national and global aspects of history and helps you develop your own historical knowledge understanding and confidence in teaching the subject Practical topics explored include Investigating children s cultural and geographical roots through fieldwork Finding and visiting local museums archives and heritage sights Choosing and using resources Using significant people events and buildings to link with national history Environmental education and sustainable development through local history Understanding the links between history and everyday life Planning and assessing history Based on the latest research and practice in the field Bringing History Alive through Local People and Places offers an exciting template of creative ideas and activities to show teachers how they can make history relevant to all children *Teaching Middle Level Social Studies* Scott L. Roberts,Benjamin R.

Wellenreiter,Jessica Ferreras-Stone,Stephanie L. Strachan,Karrie L. Palmer,2022-03-01 This textbook is a comprehensive and practical guide to teaching middle level social studies Middle level students are just as capable as high school students at engaging in hands on progressive reflective activities yet pedagogical strategies designed specifically for the middle grades are often overlooked in teacher education programs This text provides both progressive and traditional teaching methods and strategies proven effective in the middle level classroom The content of this book consists of conventional chapters such as What is Social Studies and Unit and Curriculum Planning as well as unique chapters such as The Middle Level Learner Best Practices for Teaching State History and Integrating the Core Subjects in Middle Level Social Studies In addition to the unique chapters and lesson plans many additional features of the book will be useful for middle level teaching and learning These features include A list of website resources that provide links to thousands of lesson plans state and national standards and other multimedia tools that can be used in the classroom Individual collaborative and whole class activities that will help methods students develop a better understanding of the topics lessons and strategies discussed High quality lesson ideas and classroom tested teaching strategies embedded throughout the book Images of student work samples that will methods students visualize the finished product that is being discussed An examination of state and national standards that will help guide methods students in their lesson planning *Curriculum Mapping* Kathy Tuchman Glass,2006-12-07 This resource provides a user friendly process for creating a curriculum year overview that meets standards Includes developed curriculum maps blank templates and more *Lies My Teacher Told Me* James W. Loewen,2008 Criticizes the way history is presented in current textbooks and suggests a more accurate approach to teaching American history *A People's History for the Classroom* Bill Bigelow,Howard Zinn,2008 Presents a collection of lessons and activities for teaching American history for students in middle school and high school **Lies My Teacher Told Me** James W. Loewen,2018-07-17 Every teacher every student of history every citizen should read this book It is both a refreshing antidote to what has passed for history in our

educational system and a one volume education in itself Howard Zinn A new edition of the national bestseller and American Book Award winner with a new preface by the author Since its first publication in 1995 *Lies My Teacher Told Me* has become one of the most important and successful history books of our time Having sold nearly two million copies the book also won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti Racist Scholarship and was heralded on the front page of the New York Times For this new edition Loewen has added a new preface that shows how inadequate history courses in high school help produce adult Americans who think Donald Trump can solve their problems and calls out academic historians for abandoning the concept of truth in a misguided effort to be objective What started out as a survey of the twelve leading American history textbooks has ended up being what the San Francisco Chronicle calls an extremely convincing plea for truth in education In *Lies My Teacher Told Me* James W Loewen brings history alive in all its complexity and ambiguity Beginning with pre Columbian history and ranging over characters and events as diverse as Reconstruction Helen Keller the first Thanksgiving the My Lai massacre 9 11 and the Iraq War Loewen offers an eye opening critique of existing textbooks and a wonderful retelling of American history as it should and could be taught to American students
