our democratic pillars Judeo Christian religious beliefs free market capitalism land ownership and common law around the world Schweikart and Dougherty offer a fascinating conservative history of the last six decades *A History of Europe in the Modern World* Robert Roswell Palmer,2021 *A Patriot's History® of the Modern World, Vol. I* Larry Schweikart,Dave Dougherty,2012-10-11 America's story from 1898 to 1945 is nothing less than the triumph of American exceptionalism over liberal progressivism despite a few temporary victories by the latter Conservative historian Larry Schweikart has won wide acclaim for his number one New York Times bestseller *A Patriot's History of the United States* It proved that contrary to the liberal biases in countless other history books America had not really been founded on racism sexism greed and oppression Schweikart and coauthor Michael Allen restored the truly great achievements of America's patriots founders and heroes to their rightful place of honor Now Schweikart and coauthor Dave Dougherty are back with a new perspective on America's half century rise to the center of the world stage This all new volume corrects many of the biases that cloud the way people view the Treaty of Versailles the Roaring Twenties the Crash of 1929 the deployment of the atomic bomb and other critical events in global history Beginning with the Spanish American War which introduced the United States as a global military power that could no longer be ignored and continuing through the end of World War II this book shows how a free capitalist nation could thrive when put face to face with tyrannical and socialist powers Schweikart and Dougherty narrate the many times America proved its dominance by upholding the principles on which it was founded and struggled on the rare occasions when it strayed from those principles The authors make a convincing case that America has constantly been a force for good in the world improving standards of living introducing innovations guaranteeing liberty and offering opportunities to those who had none elsewhere They also illustrate how the country ascended to superpower status at the same time it was figuring out its own identity While American ideals were defeating tyrants abroad a constant struggle against progressivism was being waged at home leading to the stumbles of the Great Depression the New Deal and the attack on Pearl Harbor Despite this rocky entrance on the world stage it was during this half century that the world came to embrace all things American from its innovations and businesses to its political system and popular culture The United States began to define what the rest of the world could emulate as the new global ideal *A Patriot's History of the Modern World* provides a new perspective on our extraordinary past and offers lessons we can apply to preserve American exceptionalism today and tomorrow **Public Drinking in the Early Modern World Vol 2** Thomas E Brennan,B Ann Tlusty,Beat Kumin,David Hancock,Michelle McDonald,2024-08-01 This four volume reset edition presents a wide ranging collection of primary sources which uncover the language and behaviour of local and state authorities of peasants and town dwellers and of drinking companions and irate wives *Historical Teleologies in the Modern World* Henning Trüper,Dipesh Chakrabarty,Sanjay Subrahmanyam,2015-09-24 *Historical Teleologies in the Modern World* tracks the fragmentation and proliferation of teleological understandings of history the notion that history had to be explained as a goal directed process in
