King John Ralph V Turner, 2011-08-26 King John long ago acquired the epithet Bad and he is reputed to be the worst of England s kings Before his death in 1216 his desperate exploitation of his subjects for ever more money had turned him into the mythical monster of Hollywood legend In marked contrast to his brother Richard John appeared incompetent in battle failing to defend Normandy 1202-04 and was unsuccessful in recovering his lost lands in 1214 A continuing crisis was a constant need for money forcing John to drain England of funds for campaigns in France demanding unlawful and oppressive new taxes Adding to his evil reputation was an ill tempered personality and a streak of pettiness or spitefulness that led him to monstrous acts including murdering his own nephew King John s unpopularity culminated in a final crisis a revolt by the English baronage 1215-16 aimed at subjecting him to the rule of law that resulted in his grant of Magna Carta

First and Second Chronicles Andrew E. Hill,2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God s holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God s covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don t discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today *The Good News: One Man's Journey Through the Bible* Charles M. Miller,2025-07-29 The work in this book was put together as a devotional to the deeply felt and wonderful study of God s Word the Bible In it through my many sources I have arranged well over fifty topics or subjects if you will along with the chapters and verses in the Bible that reflect the Bible s view concerning these topics As a devotional my book is arranged for you to pick whichever topic or group of topics that interests you My ultimate purpose in putting together this book is to help EVERYONE and ANYONE in THEIR UNDERSTANDING of THE WORD OF GOD the Bible Yes from the most sinful person to the most devoted from the most intellectual to the least capable of understanding Yes from the strong to the weak my purpose is to help ANYONE and EVERYONE to read and understand the Bible Bless you all *A History of Japanese Literature* William George Aston,1899 **Catalogue of books in the library of Robert Ferguson** Robert Ferguson (of Raith.),1817
