Climate Change and Anthropos Linda Connor, 2016-02-05 Anthropos in the sense of species as well as cultures and ethics locates humans as part of much larger orders of existence fundamental when thinking about climate change This book offers a new way of exploring the significance of locality and lives in the epoch of the Anthropocene a time when humans confront the limits of our control over nature Many scholars now write about the ethics policies and politics of climate change focussing on global processes and effects The book s innovative approach to cross cultural comparison and a regionally based study explores people s experiences of environmental change and the meaning of climate change for diverse human worlds in a changing biosphere The main study site is the Hunter Valley in southeast Australia an ecological region defined by the Hunter River catchment a dwelling place for many generations of people and a key location for transnational corporations focussed on the mining burning and export of black coal Abundant fossil fuel reserves tie Hunter people and places to the Asia Pacific the engine room of global economic growth in the twenty first century and the largest user of the planet s natural resources The book analyses the nexus of place and perceptions political economy and social organisation in situations where environmental changes are radically transforming collective worlds Based on an anthropological approach informed by other ways of thinking about environment people relationships this book analyses the social and cultural dimensions of climate change holistically Each chapter links the large scales of species and planet with small places commodity chains local actions myths and values as well as the mingled strands of dystopian imaginings and strivings for recuperative renewal in an era of transition

Globalization and Labour in the Twenty-First Century Verity Burgmann, 2016-04-14 The Open Access version of this book available at <http://www.tandfebooks.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 3.0 license Globalization has adversely affected working class organization and mobilization increasing inequality by redistribution upwards from labour to capital However workers around the world are challenging their increased exploitation by globalizing corporations In developed countries many unions are transforming themselves to confront employer power in ways more appropriate to contemporary circumstances in developing countries militant new labour movements are emerging Drawing upon insights in anti determinist Marxian perspectives Verity Burgmann shows how working class resistance is not futile as protagonists of globalization often claim She identifies eight characteristics of globalization harmful to workers and describes and analyses how they have responded collectively to these problems since 1990 and especially this century With case studies from around the world including Greece since 2008 she pays particular attention to new types of labour movement organization and mobilization that are not simply defensive reactions but are offensive and innovative responses that compel corporations or political institutions to change Aging and less agile manifestations of the labour movement decline while new expressions of working class organization and mobilization arise to better battle with corporate globalization This book will be of interest to

students and scholars of labour studies globalization political economy Marxism and sociology of work **Working Class History** Working Class History,2020-12-01 History is not made by kings politicians or a few rich individuals it is made by all of us From the temples of ancient Egypt to spacecraft orbiting Earth workers and ordinary people everywhere have walked out sat down risen up and fought back against exploitation discrimination colonization and oppression Working Class History presents a distinct selection of people s history through hundreds of on this day in history anniversaries that are as diverse and international as the working class itself Women young people people of color workers migrants Indigenous people LGBT people disabled people older people the unemployed home workers and every other part of the working class have organized and taken action that has shaped our world and improvements in living and working conditions have been won only by years of violent conflict and sacrifice These everyday acts of resistance and rebellion highlight just some of those who have struggled for a better world and provide lessons and inspiration for those of us fighting in the present Going day by day this book paints a picture of how and why the world came to be as it is how some have tried to change it and the lengths to which the rich and powerful have gone to maintain and increase their wealth and influence This handbook of grassroots movements curated by the popular Working Class History project features many hidden histories and untold stories reinforced with inspiring images further reading and a foreword from legendary author and dissident Noam Chomsky **Flight Risk** Forrest L. Marion,2018-10-15 From the 1920s Afghanistan maintained a small air arm that depended heavily upon outside assistance Starting in 2005 the United States led an air advisory campaign to rebuild the Afghan Air Force AAF In 2007 a formal joint combined entity led by a U S Air Force brigadier general began air advisor work with Afghan airmen Between 2007 and 2011 these efforts made modest progress in terms of infrastructures personnel and aircraft accessions and various training courses But by 2010 advisors increasingly viewed AAF command and control C2 as a problem area that required significant improvement if a professional air force was to be built In the spring of 2011 major institutional changes to AAF C2 procedures were being introduced when nine U S air advisors were killed The attack was the worst single incident loss of U S Air Force personnel in a deployed location since 1996 and the worst insider attack since 2001 From the day of that tragic event the cultural chasm between Afghanistan and the West became more apparent This dilemma continues with no end in sight to an air advisory mission of uncertain long term value **History (Solved Papers)** YCT Expert Team , 2023 24 NTA UGC NET JRF History Solved Papers **Big Data Analytics** Kim H. Pries,Robert Dunnigan,2015-02-05 With this book managers and decision makers are given the tools to make more informed decisions about big data purchasing initiatives Big Data Analytics A Practical Guide for Managers not only supplies descriptions of common tools but also surveys the various products and vendors that supply the big data market Comparing and contrasting the dif **The Economics of Cultural Diversity** Peter Nijkamp,Jacques Poot,Jessie Bakens,2015-08-28 The populations of many countries in the world are becoming more culturally diverse This spurs a growing need for an informed debate on the socio economic implications of

cultural diversity This book offers a solid statistical and econometric perspective

A History of Counterinsurgency Gregory Fremont-Barnes, 2015-05-05 This two volume history of counterinsurgency covers all the major and many of the lesser known examples of this widespread and enduring form of conflict addressing the various measures employed in the attempt to overcome the insurgency and examining the individuals and organizations responsible for everything from counterterrorism to infrastructure building How and when should counterinsurgency be pursued as insurgency is growing in frequency and conversely while conventional warfare continues to decline as a means by which political rivals seek to impose their will upon each other What lessons from the past should today's policymakers strategists military leaders and soldiers in the field keep in mind while facing off against 21st century insurgents This two volume set offers a comprehensive history of modern counterinsurgency covering the key examples of this widespread and enduring form of conflict It identifies the political military social and economic measures employed in attempting to overcome insurgency examining the work of the individuals and organizations involved demonstrating how success and failure dictated change from established policy and carefully analyzing the results Readers will gain valuable insight from the detailed assessments of the history of counterinsurgency that demonstrate which strategies have succeeded and which have failed and why After an introductory essay on the subject each chapter provides historical background to the insurgency being addressed before focusing on the specific policies pursued and actions taken by the counterinsurgency force Each section also provides an assessment of those operations including in most cases an analysis of lessons learned and where appropriate their relevance to counterinsurgency operations today The set's coverage spans modern counterinsurgencies from Europe to Asia to Africa since 1900 and includes the ongoing counterinsurgency operations in Afghanistan today Its wide international approach to the subject makes the set a prime resource for readers seeking specific information on a particular conflict or a better understanding of the general theories and practices of counterinsurgency *Rituparno Ghosh* Sangeeta Datta, Kaustav Bakshi, Rohit K. Dasgupta, 2015-11-19 An iconic filmmaker and inheritor of the legendary Satyajit Ray's legacy Rituparno Ghosh was one of the finest auteurs to emerge out of contemporary Bengal His films though rooted firmly in middle class values desires and aspirations are highly critical of hetero patriarchal power structures From the very outset Ghosh displayed a strong feminist sensibility which later evolved into radical queer politics This volume analyses his films his craft his stardom and his contribution to sexual identity politics In this first scholarly study undertaken on Rituparno Ghosh the essays discuss the cultural import of his work within the dynamics of a rapidly evolving film industry in Bengal and more largely the cinematic landscape of India The anthology also contains a conversation section interviews with the filmmaker and with industry cast and crew drawing a critical and personal portrait of this remarkable filmmaker

Social Justice at Apartheid's Dawn Dawne Y. Curry, 2022-04-11 This book which examines the role of African women in the conversation on nationalism during South Africa's era of segregation excavates female voices and brings them to the provocative fore From 1910 to 1948 African

women contributed to political thought as editorialists club organizers poets leaders and activists who dared to challenge the country's segregationist regime at a time when it was bent on consolidating White power Daughters of Africa founder Cecilia Lillian Tshabalala and National Council of African Women President Mina Tembeka Soga feature in this work which employs the artistic theory of sampling and decoloniality to highlight and showcase how these women and others among their cadre spoke truth to power through the fiery lines of their poetry newspaper columns thought provoking speeches organizational documents personal testimonies and musical compositions It argues that these African women left behind a blueprint to grapple with and contest the political climate in which they lived under segregation by highlighting the role and agency of African women intellectuals at Apartheid's dawn
