## Public Inquiry System UCC Lien Search

**Please carefully read all the information on this page, including the disclaimer, before using this web site.**

The Uniform Commercial Code Public Inquiry System allows the public to search the complete UCC database. This database includes Financing Statements and Financing Statement Amendments filed under Article 9 and Revised Article 9 of the Uniform Commercial Code and Notices of Federal Tax Liens and notices and certificates affecting such liens filed under Article 10-A of the Lien Law. Search results are provided in the form of a printable data report and/or viewable images of the filed record(s).

The pages which perform the various search options require Netscape Navigator 4.0 and above or Internet Explorer 4.0 and above. To view filing images you will need Internet Explorer 5.0 or above and the Adobe Acrobat Reader. If you want to correctly view this page and/or subsequent images, and you do not have the correct browser, please upgrade your browser. If your browser does not work properly, be sure the JavaScript is turned on.

**The information contained in this database is current through Sep 14, 2018.**

- **NYS Standard Debtor Search**

This search option provides the ability to search and receive the same results as would be provided by an "official" search performed by our office. **The search logic used in the NYS Standard Debtor Search is the "standard search logic" of this office.**

- **Filing Number and Date**

This search option provides the ability to retrieve an image of a filing by entering the file number and the file year. **The search logic used in the File Number and Date Search is not the "standard search logic" of this office.**

- **Other Debtor Name Search Options and Secured Party Name Search**

This search option provides the ability to search by individual or business name. A feature of this option is the availability of three search engines. These three search engines allows you greater flexibility when searching for name variations. **The search logic used in the Other Debtor Search Options or Secured Party Search is not the "standard search logic" of this office.**

because of its enormous size diverse terrain and poor infrastructure but Generalissimo Chiang Kai shek made a formidable stand that produced a veritable quagmire for a superior opponent a stalemate much desired by the Allied nations In the first book to cover this southern theater in detail David Macri closely examines strategic decisions campaigns and operations and shows how they affected Allied grand strategy Drawing on documents of U S and British officials he reveals for the first time how the Sino Japanese War served as a proxy war for the Allies by keeping Japan s military resources focused on southern China they hoped to keep the enemy bogged down in a war of attrition that would prevent them from breaching British and Soviet territory While the most immediate concern was preserving Siberia and its vast resources from invasion Macri identifies Hong Kong as the keystone in that proxy war vital in sustaining Chinese resistance against Japan as it provided the logistical interface between the outside world and battles in Hunan and Kwangtung provinces a situation that emerged because of its vital rail connection to the city of Changsha He describes the development of Anglo Japanese low intensity conflict at Hong Kong he then explains the geopolitical significance of Hong Kong and southern China for the period following the German invasion of the Soviet Union Opening a new window on this rarely studied theater Macri underscores China s symbolic importance for the Allies depicting them as unequal partners who fought the Japanese for entirely different reasons China for restoration of its national sovereignty the Allies to keep the Japanese preoccupied And by aiding China s wartime efforts the Allies further hoped to undermine Japanese propaganda designed to expel Western powers from its Greater East Asia Co Prosperity Sphere As Macri shows Hong Kong was not just a sleepy British Colonial outpost on the fringes of the empire but an essential logistical component of the war and to fully understand broader events Hong Kong must be viewed together with southern China as a single military zone His account of that forgotten fight is a pioneering work that provides new insight into the origins of the Pacific War     *Hearings, Reports and Prints of the House Committee on the District of Columbia* United States.
