

Gale's name that is called. Katniss is devastated by the prospect of losing her friend to the Hunger Games.

However, Katniss's worst fears are realized when Prim's name is chosen as the female tribute. Despite Katniss's promises to protect her sister, Prim is now destined to participate in the deadly competition. Katniss is filled with anguish and immediately volunteers to take Prim's place as the female tribute. This act of self-sacrifice is both a testament to Katniss's love for her sister and a moment of defiance against the Capitol's control.

Chapter 1 sets the stage for the central conflict of the novel as Katniss prepares to enter the Hunger Games. It introduces readers to the harsh reality of life in District 12, the oppressive rule of the Capitol, and the sacrifices Katniss is willing to make to protect her loved ones. The novel's themes of survival, sacrifice, and resistance against a tyrannical regime are established in this opening chapter, setting the tone for the rest of the story.

Chapter 2

Chapter 2 of "The Hunger Games" follows Katniss Everdeen as she prepares for her journey to the Capitol, where she will participate in the Hunger Games as a tribute from District 12. The chapter delves into the brutal reality of the Games, the Capitol's extravagant lifestyle, and Katniss's determination to survive.

After volunteering to take her sister Prim's place as a tribute, Katniss is taken to the Justice Building, where she says her emotional farewell to her family. She promises her mother and Prim that she will return home safely and hugs them tightly. Then, she is escorted by Peacekeepers to the train station, where she boards the luxurious Capitol-bound train along with Peeta Mellark, the male tribute from District 12.

The train journey to the Capitol is a stark contrast to life in District 12. Katniss and Peeta are provided with lavish accommodations, decadent food, and access to technology and entertainment they have never experienced before. It is a surreal experience for them as they are introduced to the extravagant lifestyle of the Capitol's citizens.

Katniss and Peeta meet Effie Trinket, their escort, who is responsible for guiding them through the preparations for the Games. Effie is initially perplexed by Katniss's stoic demeanor but is amused by Peeta's charm and politeness. Effie's role is to present the tributes to the Capitol audience and ensure they are well-prepared for their televised debut.

During the train journey, Katniss and Peeta watch the Capitol's coverage of the Hunger Games on television. They witness the pageantry, interviews,
