**The Miracle of Water Therapy and Oil Pulling - A Beginners Guide to Ancient Yogic Remedies** John Davidson, Dueep J. Singh, 2013-05-15 The Miracle of Water Therapy and Oil Pulling A Beginners Guide to Ancient Yogic Remedies Table of Contents Introduction What is Ayurveda What Is Yoga Oil pulling Procedure When to Do Oil Pulling Tips Ailments cured by Oil pulling Water Therapy Water Therapy through Nostrils Jal Neti Buying the Right Neti Pot Himalayan Salt Is Best How to Use a Neti Pot The Pot Procedure Benefits of Neti based Water Therapy Precautions during Water Therapy Pressure points for improving Eyesight Conclusion Author Bio Introduction Being very interested in alternative medicine forms like Ayurveda and being taught yoga as a part of our Academic curriculum in our student days I soon began to understand why the ancients in the East considered yoga to be an integral part of their lives This book is going to introduce you to some of the more common ancient natural healing traditions practiced in the Indian subcontinent since ancient times I was talking to an American audience about alternative Indian medicine when I spoke about Ayurveda and yoga A friend immediately said But that is religious and is based on Hindu practices I would like to clear up this point once and for all These practices are definitely not based to people belonging to one religion Besides the people who wrote these exercises and rules for right and proper living and practiced them millenniums ago were Aryans and they gave this knowledge in their religious and spiritual books to the people of India who were practicing Hinduism Practicing Hinduism What do I mean by that Consider Hinduism at that time to be a way of life practicing nonviolence and following the wise teachings of the ancient ones It is now a full fledged religion incorporating those same beliefs traditions and way of life in their manner of living and being The ancient knowledge of those wise ones are now being practiced as set down in the Vedas and the Puranas I am definitely not a Hindu but since childhood I and my Hindu Christian Mussalman Buddhist Sikh and Jain Friends did all these yogic exercises every morning during school assembly and we never believed them to be part of a religious tradition belonging exclusively to the Hindus Our teachers were sensible enough not to let even an inkling of this controversial idea blossom in our infantile suspicious and susceptible minds because that would mean that 17% of the students would immediately have their parents yelling keep religion out of academics This is unacceptable This is an extremely touchy subject in the East And because we considered these exercises to be part of PT 15 minutes of this healthy workout kept us healthy and happy throughout our childhoods and youth We never knew that they were yogic exercises According to us we were keeping healthy in a natural manner We definitely did not chant Hindu hymns while doing these exercises That in itself would be anathema Maranatha to anybody not a Hindu including I So the idea that this universal

healing tradition is limited to just one peoples is definitely wrong and it has been started by some lazy minded people who would rather find excuses not to do a thing rather than work out So here am I not a Hindu telling all my friends all over the globe how they can keep healthy through different natural remedy practices which have been in vogue for centuries in the Indian subcontinent These practices are going to include oil pulling which is getting to be extremely popular in the West today and also water therapy All this information was taken by me from an experienced Ayurvedic doctor so that all the information that is being given to you has been time tested and has been recommended by him But before that you would want to know a little bit more about the terms which I am going to be using in this book      **RsdF Chronicle II**
