If God Was A Woman:

When God was a Woman Merlin Stone,1990 Here archaeologically documented is the story of the religion of the Goddess Known by many names Astarte Isis Ishtar among others she reigned supreme in the Near and Middle East Beyond being worshipped for fertility she was revered as the wise creator and the one source of universal order Under her women's roles differed markedly from those in patriarchal Judeo Christian cultures Women bought and sold property and traded in the marketplace and the inheritance of title and property was passed from mother to daughter How did the change come about By documenting the wholesale rewriting of myth and religious dogmas Merlin Stone details a most ancient conspiracy the patriarchal reimagining of the Goddess as a wanton depraved figure This portrait that laid the foundation for one of culture's greatest shams the legend of Adam and fallen Eve **The Power of a Woman's Words** Sharon Jaynes,2007-09-01

International speaker Sharon Jaynes believes that women have incredible power in their sphere of influence with the words they speak Words are one of the most powerful forces in the universe and they can be used for good or evil When God created our world He did so with words He said Let there be and it was so While our words cannot bring into existence things that are not they do have the power to build courage into a husband's life instill confidence into a child's heart fan into flames the dying embers of a friend's smoldering dreams and draw the lost to Christ This book is for every woman who desires to use her words to build up rather than tear down to encourage rather than discourage to cheer rather than jeer It is for all who desire to have more control over that mighty force called the tongue *When God Pursues a Woman's Heart*

Cindi McMenamin, **The Existence** Theodore Ihejieta,2018-12-21 The Existence By Theodore Ihejieta The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings **A Woman's Version of**

the Faust Legend George Sand,2013-06-01 George Sand's The Seven Strings of the Lyre is a philosophical play written in poetic prose and never intended for performance on stage Completed in 1838 during the early stages of Sand's romantic involvement with Frederic Chopin it is one of the very few treatments of the Faust legend by a woman George Kennedy offers the first English translation of this work along with an introduction that places the play in its philosophical and literary context The Seven Strings of the Lyre is Sand's response to Goethe's Faust and a reflection of her views of music as

developed in conversations with Chopin and Franz Liszt Sand unlike so many of her contemporaries saw Goethe as a less than ideal poet She criticized him for lacking enthusiasm belief and passion and she faulted him for being a proponent of the art for art's sake movement which Sand deplored for its lack of social conscience Sand's play describes the efforts of Mephistopheles to win the soul of Albertus a teacher of philosophy and descendant of Faust Regarding Goethe's Mephistopheles as insufficiently wicked Sand conjures up a devil truly worthy of the epithet For Faust whom she considered too cold Sand substitutes the more emotional Albertus whose despair that life and love have passed him by in his devotion to philosophy makes him vulnerable to the machinations of the devil And in place of Goethe's village girl Marguerite or the dangerous Helen of the earlier Faust legend Sand creates the angelic Helen who awakens Albertus's love and teaches him the emotional and spiritual truths he had never learned from books Richly philosophical and deeply romantic the play is a reaction against eighteenth century rationalism It asserts the existence of some higher truth to be found in music poetry and a sympathetic response to nature but it also contrary to the doctrine of art for art's sake demands social responsibility from the artist Sand believed that the arts should lead society to an awareness of truth freedom and the meaning of life and *The Seven Strings of the Lyre* is an attempt to dramatize this belief Originally published in 1989 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
