**Introduction to Sociology** George Ritzer, 2015-08-28 Join the conversation with one of sociology's best known thinkers The Third Edition of *Introduction to Sociology* thoroughly revised and updated continues to show students the relevance of the introductory sociology course to their lives While providing a rock solid foundation George Ritzer illuminates traditional sociological concepts and theories as well as some of the most compelling contemporary social phenomena globalization consumer culture the Internet and the McDonaldization of society As technology flattens the globe students are challenged to apply a sociological perspective to their world and to see how public sociologists are engaging with the critical issues of today

**Introduction to Sociology 3e** Openstax, 2022-11-21 *Introduction to Sociology 3e* aligns to the topics and objectives of many introductory sociology courses It is arranged in a manner that provides foundational sociological theories and contexts then progresses through various aspects of human and societal interactions The new edition is focused on driving meaningful and memorable learning experiences related to critical thinking about society and culture The text includes comprehensive coverage of core concepts discussions and data relevant to a diverse audience and features that draw learners into the discipline in powerful and personal ways Overall *Introduction to Sociology 3e* aims to center the course and discipline as crucial elements for understanding relationships society and civic engagement the authors seek to lay the foundation for students to apply what they learn throughout their lives and careers The authors

reviewers and the entire team worked to build understanding of the causes and impacts of discrimination and prejudice. Introduction to Sociology 3e contains dozens of examples of discrimination and its outcomes regarding social science, society, institutions, and individuals. The text seeks to strike a balance between confronting the damaging aspects of our culture and history and celebrating those who have driven change and overcome challenges. The core discussion of these topics are present in Chapter 11 on Race and Ethnicity and Chapter 12 on Gender, Sex, and Sexuality, but their causes and effects are extensively discussed in the context of other topics including education, law enforcement, government, healthcare, the economy, and so on. Together and when connected by an instructor, these elements have potential for deep and lasting effects.
