Reclaiming the Political Process Ray Miller, 2024-04-24 Disciples of Christ in America must live out and express their faith in practical meaningful ways in the real world including the political process Our failure to provide leadership in our culture and the political process has resulted in the many negatives that are now taking place in the US Believers must see engagement with the political process as a natural expression of their relationship with God Ray Miller suggests practical and holistic ways in which we can live out our faith through this involvement and become engaged long term in the political process

When Hell Invades The Churches Andrew Stunich, 2022-10-14 When Hell Invades The Churches An Expose of Redding Bethel and the New Apostolic Reformation reveals how the New Age has entered the church just as Dave Hunt warned in his seminal 1985 book The Seduction of Christianity Mr Stunich has courageously exposed how New Age Temples like Bethel Church are masquerading as Christian churches and how a new breed of American entrepreneur the pastorprenuer is mixing business and faux Christianity in order to achieve great worldly success while leading millions of Christians dangerously astray and far from the narrow path that leads to salvation and into a new experienced based contra Scriptural religion masquerading as Christianity Readers will be shocked to see how far Bethel has strayed from the truth yet still manages to deceive most of the world into believing that it is a Christian church If you have any doubt that the great apostasy falling away predicted in 2 Thessalonians 2 is well underway this book will dispel any doubts This book peels back the curtain on the New Apostolic Reformation and lays bare how absurd its claims are that new apostles and prophets now guide the church while the movement spews out countless false prophecies and false claims of new revelations from God But this book should be of equal interest to secular readers and all who wish to preserve the separation between church and state for this book exposes how a new form of faux Christianity seeks dominion over all human endeavors both public and private and in the process is causing both spiritual and temporal harm on a global scale

The Violent Take It by Force Matthew D. Taylor, 2024-10-01 Required reading for anyone seeking to understand Christian nationalism Kristin Kobes Du Mez author of Jesus and John Wayne A propulsive account of the network of charismatic

Christians that consolidated support for Donald Trump and is reshaping religion and politics in the US Over the last decade the Religious Right has evolved Some of the more extreme beliefs of American evangelicalism have begun to take hold in the mainstream Scholar Matthew D Taylor pulls back the curtain on a little known movement of evangelical Christians who see themselves waging spiritual battles on a massive scale Known as the New Apostolic Reformation this network of leaders and believers emerged only three decades ago but now yields colossal influence galvanizing support for Trump and far right leaders around the world In this groundbreaking account Taylor explores the New Apostolic Reformation from its inception in the work of a Fuller Seminary professor to its immense networks of apostles and prophets to its role in the January 6 riot Charismatic faith provided righteous fuel to the fire that day where symbols of spiritual warfare blazed rioters blew shofars worship music blared and people knelt in prayer This vision of charismatic Christianity now animates millions lured by Spirit filled revival and visions of Christian supremacy Taylor s unprecedented access to the movement s leaders archives internal conference calls and correspondence gives us an insider account of the connection between charismatic evangelicalism and hard right rhetoric Taylor delves into prophetic memes like the Seven Mountains Mandate the Appeal to Heaven flag and the Cyrus Anointing Trump s spiritual advisor Paula White s call for angelic reinforcements and Sean Feucht and Bethel Music s titanic command of worship styles across America Throughout Taylor maps a movement of magnetic leaders and their uncompromising beliefs and where it might be headed next When people long to conquer a nation for God democracy can be brought to the brink

The Kingdom Establishers - Book 3 (The Revealed Kingdom 3-Book Series) Mark

Loretz,2024-01-07 I am excited about this beautifully written Kingdom guidebook as it gives us various keys and strategies to live a Kingdom life It also challenges us to become Kingdom establishers and to build the Kingdom of Jesus where we live and work I enjoyed the parts referring to Kingdom mindsets and attitudes that teach the believer a different worldview to attract a life of miracles as well as being instrumental in letting His Kingdom come on earth as in Heaven What Dr Mark Loretz describes is how to practically align ourselves with the Kingdom of God to live the life of overflow as Jesus intended

Christian America and the Kingdom of God Richard T. Hughes,Christina Littlefield,2025-03-11 The myth of a Christian America fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist agenda Richard T Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore the complex legal and cultural arguments for a Christian America The authors also provide an in depth examination of the Bible s words on the chosen nation and kingdom of God that Christian nationalists quote to support the idea of the US as a Christian nation A timely new edition of the acclaimed work Christian America and the Kingdom of God spotlights how the centuries long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith unleashes unchristian behavior and threatens the nation

The New Apostolic Reformation, Trump, and Evangelical

Politics Damon T. Berry,2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his

position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump's candidacy and to continue to defend his presidency re-election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy presidency and re-election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century

How White Evangelicals Think Dave Verhaagen, 2022-08-16 The majority of Americans have looked on in some combination of horror and befuddlement as many white Christians particularly evangelicals have revealed beliefs and opinions seemingly antithetical to the Christian faith whether holding racist attitudes supporting conspiracy theories aligning with nationalistic and authoritarian movements or becoming hostile toward the different and marginalized Dr Dave Verhaagen a nationally board certified psychologist and author tackles the challenge of explaining the psychology behind what has become the unique mind of the modern white Christian Each chapter explores one or more robust psychological principles that help make sense of why white Christians think like they do

Wild Faith Talia Lavin, 2024-10-15 The Christian right has been threatening American plurality for decades and its influence is on the rise In *Wild Faith* Talia Lavin thoroughly chronicles how this reactionary force is spreading through the US political system and sounds a clear alarm Christian nationalism is a growing danger to democracy To fully understand the peril at hand you must read this book which is both an investigative triumph and a warning David Corn author of 1 New York Times bestseller *Russian Roulette* and *American Psychosis* An investigation into the rise of the Christian Right over the last half century that lays out the grim vision evangelicals are enforcing on our democracy All across America a storm is gathering from book bans in school libraries to anti-trans laws in state legislatures firebombings of abortion clinics and protests against gay rights The Christian Right a cunning political force in America for more than half a century has never been more powerful than it is right now it propelled Donald Trump to power and it won't stop until it's refashioned America in its own image In *Wild Faith* critically acclaimed author Talia Lavin goes deep into what motivates the Christian Right from its segregationist past to a future riddled with apocalyptic ideology Using primary sources and firsthand accounts Lavin introduces you to deliverance ministers who carry out exorcisms by the hundreds modern day self-proclaimed prophets and apostles Christian militias cults zealots and showmen and the people in power who are aiding them to achieve their goals Along the way she explores anti-abortion

terrorists the Christian Patriarchy movement with its desire to place all women under absolute male control the twisted theology that leads to rampant child abuse and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit From school boards to the Supreme Court Christian theocracy is ascendant in America and only through exploring its motivations and impacts can we understand the crisis we face In Wild Faith Lavin fearlessly confronts whether our democracy can survive an organized fervent theocratic movement one that seeks to impose its religious beliefs on American citizens [Living with Hope](#) Dwight A. this ancient prophecy revealing its startling relevance to modern politics and the ten king prophecy **The Walls of Babylon** David Arthur, 2019-08-22 The Walls of Babylon is a radically revisionist reading of the Revelation to John offering startling insights into the historical roots of Gnosticism the social dynamics of early Christianity and the shattering impact of apocalyptic eschatology Based on a careful analysis of the text David Arthur argues that the motivating circumstance for Revelation was provided not by external Roman oppression but by a fierce internal dispute between gnostic and proto orthodox factions within the early church In the ensuing controversy John did not side with ecclesiastical officials as might be expected but instead took up the cause of the persecuted outcasts Following the precedent of the classical prophets he speaks as a champion for the downtrodden and dispossessed represented for him by the gnostic heretics The book he has left us presents a fiery symbolic rebuke of proto orthodox Christianity and by extension challenges normative religious paradigms at every level of belief and praxis The FALL of BABYLON the Great AMERICA Michael D Fortner, 2020-07-16 Second Edition not minor revision If you are looking for an analysis of Babylon the Great to determine if it might be the United States of America then this book is for you One of the most difficult things I had to do in order to correctly interpret Bible prophecy was come to the realization that America is Babylon the Great BTG I did not want to believe it But after years of study the evidence forced me to that conclusion Then I realized that most nations of the world will suffer great destruction to one degree or another based on their sins So America will also suffer for its sinfulness I also came to understand that Babylon the Great BTG is not all of America it is ONLY wicked America God will destroy wicked America but he will save a righteous remnant from those who do not go in the Rapture to rebuild the nation During the past 10 years I saw such great decline in America that I can now see why America will be destroyed and also why it must be destroyed But America will NOT be destroyed before the start of the Great Tribulation GT which is so often claimed but will only be wounded at the start of the GT but will be nuked and then invaded at the end of the GT The nuclear war and invasion of America are the last acts of the beast a Revised Islamic Empire and its allies Russia and China and North Korea in its attempt to totally destroy Christianity and the Christians in America Then Christ returns to save the world by destroying the evil that is taking over the world Many people misinterpret Babylon the Great BTG harlot prostitute in Revelation 17 and 18 She has been interpreted to be the Roman Catholic Church the Protestant Church Jerusalem Islam Saudi Arabia and who knows what else I will provide a mountain of evidence and explain in detail how America is political Babylon which is the government of the United States of America cultural Babylon which is the polluted culture of America that is formed by movies TV and music and economic Babylon that is capitalism which is headquartered in America America being the premier capitalist nation in the world If Babylon is also a city then it is New York City Like my other two books on Bible prophecy there is a lot of new insights in this book that are not found in any other book on Babylon the Great and America I also discuss the Old Testament references to an end time Babylon which is not a rebuilt city in Iraq but can only be the same as Mystery Babylon in Revelation And I will

discuss the founding of America how it was founded with a de facto covenant with God de facto means being in effect though not formally recognized But America also is chosen of God because it was one of the nations that God promised to Abraham Yes God promised Abraham more than one nation It is likely the main reason that America became the greatest and most powerful nation the world has ever seen I also show how America will be split into three parts by a huge global earthquake Rev 16 after it betrays Israel One split will be along the Mississippi River the other in California This book also includes a discussion of Gog and Magog of Ezekiel 38 which gives us details for two wars not just one One will be an invasion of Israel the other will be an invasion of America In the appendix I discuss the misinterpretation of Walid Shoebat showing that his view of BTG being Saudi Arabia is grossly wrong This is Book 3 of the Bible Prophecy Revealed series which is a complete teaching on Bible prophecy If you liked the other two books you will like this one This is edition 1 75 with some slight improvements Book 4 is now available

Babylon the Great: Mother of Harlots Olokesusi Jeremiah, 2019-03-10 This book was written and designed as I was directed by God On one glorious day in March 2004 while I was alone with God in long day prayer battle God gave me a vision regarding the context of the WHORE OF REVELATION in the 17th chapter of the book of Revelation I made lots of attempt to ensure that I get the work done as directed by my God unfortunately I couldn't achieve any meaningful success This was due to the fact that I have very little knowledge about the mysterious topic as at that time until God Himself intervened to assist me in compiling the truth about the message He gave me some years ago through divine arrangement and heaven sent unquenchable inspirations However this book is deliberately designed by God himself to let people the church and God's ministers understand the hidden mystery of what I can call a widely disused prophecy which many people believed to be so difficult to understand to the extent that some where even been scared of reading it because they have no light about it at all or miss interpret its contents to be a past events while others take it to be a future events after the rapture of the saints It is God's due time the mystery to be explained to all asunder God in His mercy through this book unfold the truth about the mystery of the seven head beast with ten horns and crowns on them the woman that sited on the scarlet beast with a golden cup in her hand and drunken with the blood of the saints as corrupt the whole world mostly the worship of the God and the only God of the universe This is the woman who was reportedly committing fornication with the kings of the earth and the apostate church that where called of the lord in this present evil age Finally it reveals the deception of ages by which Satan has greatly successful to corrupt the whole system of the world economically socially academically morally and spiritually He has succeeded in placing his throne on the top of the whole world People of the world have greatly confused to know which the true religion is and which one is the true way in worshiping the lord Jehovah It is presently difficult to differentiate the true religion from heresies and pagan idolatry Therefore I enjoy all Christ lovers and those who despite the apostasy of this age still believed and are waiting patiently for the second coming of our lord Jesus Christ to read this book and be conscious of the current world economic and political bewilderment as part of the

beast activities to sub verge global system under his full control This is part of fulfillment of the prophecy that will describe the emergency of the MNAN OF SIN Anti Christ We are moving to another part of the bible prophecy very closed to the great tribulation therefore Christian awake FOR FURTHER INFORMATION ON THIS READ MY BOOK TITLED BIBLE CLIMAX
