Invading Babylon Lance Wallnau, Bill Johnson, 2013-07-16 You were transformed to transform your world For too long Christianity has been defined by a false concept of church As a result believers have built walls around their lives keeping culture at a distance As Christians have tried to keep culture out of the church unfortunately the church has kept itself out of the culture This was never Jesus design for the your life Before church was established as a place that people came to Jesus instituted it as an army that brought transformation to society starting with salvation and continuing with seven spheres of influence Church family education government media arts and commerce Six revolutionary voices in the modern church deliver Invading Babylon This essential guide will equip you to Understand your vital role in shaping society Release God s will in your sphere of influence Become an unstoppable citizen in God s Kingdom It s your time to arise and be a light in a dark world

**The New Apostolic Reformation, Trump, and Evangelical Politics** Damon T. Berry, 2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump s candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God s anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump s candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century

**Reclaiming the Political Process** Ray Miller, 2024-04-24 Disciples of Christ in America must live out and express their faith in practical meaningful ways in the real world including the political process Our failure to provide leadership in our culture and the political process has resulted in the many negatives that are now taking place in the US Believers must see engagement with the political process as a natural expression of their relationship with God Ray Miller suggests practical and holistic ways in which we can live out our faith through this involvement and become engaged long term in the political process

**Pentecostal Higher Education** Daniel Topf, 2021-09-16 This book presents a theological and missiological argument for pentecostals to engage more forcefully in higher education by expanding and renewing their commitment toward operating their own colleges and universities The volume s first part describes past and present developments within higher education highlighting strengths and weaknesses of both pentecostal and post secular institutions The second part highlights the future potential of

pentecostal higher education which is enriched by a Spirit empowered and mission minded spirituality that focuses on forming the hearts heads and hands of students Pentecostals increasingly desire to influence all spheres of society an endeavor that could be amplified through a strengthened engagement in higher education particularly one that encompasses a variety of institutions including a pentecostal research university In developing such an argument this research is both comprehensive and compelling inviting pentecostals to make a missional difference in the knowledge based economies that will characterize the twenty first century

[The Violent Take It by Force](#) Matthew D. Taylor, 2024-10-01 Required reading for anyone seeking to understand Christian nationalism Kristin Kobes Du Mez author of *Jesus and John Wayne* A propulsive account of the network of charismatic Christians that consolidated support for Donald Trump and is reshaping religion and politics in the US Over the last decade the Religious Right has evolved Some of the more extreme beliefs of American evangelicalism have begun to take hold in the mainstream Scholar Matthew D Taylor pulls back the curtain on a little known movement of evangelical Christians who see themselves waging spiritual battles on a massive scale Known as the New Apostolic Reformation this network of leaders and believers emerged only three decades ago but now yields colossal influence galvanizing support for Trump and far right leaders around the world In this groundbreaking account Taylor explores the New Apostolic Reformation from its inception in the work of a Fuller Seminary professor to its immense networks of apostles and prophets to its role in the January 6 riot Charismatic faith provided righteous fuel to the fire that day where symbols of spiritual warfare blazed rioters blew shofars worship music blared and people knelt in prayer This vision of charismatic Christianity now animates millions lured by Spirit filled revival and visions of Christian supremacy Taylor s unprecedented access to the movement s leaders archives internal conference calls and correspondence gives us an insider account of the connection between charismatic evangelicalism and hard right rhetoric Taylor delves into prophetic memes like the Seven Mountains Mandate the Appeal to Heaven flag and the Cyrus Anointing Trump s spiritual advisor Paula White s call for angelic reinforcements and Sean Feucht and Bethel Music s titanic command of worship styles across America Throughout Taylor maps a movement of magnetic leaders and their uncompromising beliefs and where it might be headed next When people long to conquer a nation for God democracy can be brought to the brink

**Wild Faith** Talia Lavin, 2024-10-15 The Christian right has been threatening American plurality for decades and its influence is on the rise In *Wild Faith* Talia Lavin thoroughly chronicles how this reactionary force is spreading through the US political system and sounds a clear alarm Christian nationalism is a growing danger to democracy To fully understand the peril at hand you must read this book which is both an investigative triumph and a warning David Corn author of 1 New York Times bestseller *Russian Roulette* and *American Psychosis* An investigation into the rise of the Christian Right over the last half century that lays out the grim vision evangelicals are enforcing on our democracy All across America a storm is gathering from book bans in school libraries to anti trans laws in state legislatures firebombings of abortion clinics and protests against gay rights The

Christian Right a cunning political force in America for more than half a century has never been more powerful than it is right now it propelled Donald Trump to power and it won't stop until it's refashioned America in its own image In Wild Faith critically acclaimed author Talia Lavin goes deep into what motivates the Christian Right from its segregationist past to a future riddled with apocalyptic ideology Using primary sources and firsthand accounts Lavin introduces you to deliverance ministers who carry out exorcisms by the hundreds modern day self-proclaimed prophets and apostles Christian militias cults zealots and showmen and the people in power who are aiding them to achieve their goals Along the way she explores anti-abortion terrorists the Christian Patriarchy movement with its desire to place all women under absolute male control the twisted theology that leads to rampant child abuse and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit From school boards to the Supreme Court Christian theocracy is ascendant in America and only through exploring its motivations and impacts can we understand the crisis we face In Wild Faith Lavin fearlessly confronts whether our democracy can survive an organized fervent theocratic movement one that seeks to impose its religious beliefs on American citizens

**White Privilege in Transition** Choo Lak Yeow,2023-04-20 The white privilege phenomenon arguably began when European countries started to colonize Africa the Americas Asia Australia New Zealand and the Pacific Islands White privilege is built on the twin towers of European colonizers exploiting their colonies human resources and stealing their natural resources to build up their ill-gotten wealth Structured into their system white privilege perpetuates white supremacy Horrible examples of white privilege are mentioned to show how white people dehumanized races in their colonies and stole their natural resources White privilege continues today in many parts of the world in various ways White privilege is a heresy because it is anti-Bible It is blind to the fact that the iniquities of the colonizing fathers live on today in the very structures and systems governing the world It is an apostasy because it clearly denies the doctrine that all humans are created in God's image White Privilege in Transition is a frank assessment of the damage white privilege has done In a persuasive nonjudgmental way this work invites practitioners of white privilege to accept the fact that competition and survival today take place on a level playing field

**How White Evangelicals Think** Dave Verhaagen,2022-08-16 The majority of Americans have looked on in some combination of horror and befuddlement as many white Christians particularly evangelicals have revealed beliefs and opinions seemingly antithetical to the Christian faith whether holding racist attitudes supporting conspiracy theories aligning with nationalistic and authoritarian movements or becoming hostile toward the different and marginalized Dr Dave Verhaagen a nationally board-certified psychologist and author tackles the challenge of explaining the psychology behind what has become the unique mind of the modern white Christian Each chapter explores one or more robust psychological principles that help make sense of why white Christians think like they do

Douglas Geivett,2025-01-01 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God s activity others see the integration of controversial and hazardous practices into the church In Reckless Christianity Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its

charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are crossed In its pursuit of experimentation Reckless Christianity argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith

**New Faces of God in Latin America** Virginia Garrard,2020-11-01 Combining historical and ethnographic research methods along with a thorough review of existing literature on the study of Latin American Christianity New Faces of God in Latin America addresses the important question of how global religion and local culture interact situating the experience of Latin American Christianity in the broader conversations in the field of world Christianity particularly with respect to the growing understanding of Christianity as a non Western religion Through case studies of different Pentecostal experiences in Latin America Virginia Garrard explores cross pollination and interaction with indigenous religions and cultures finding widely varied responses to the material and spiritual needs of Latin Americans The author locates Latin American religious experience within a field known as the history of non Western Christianity This focuses on the experience perceptions and adaptations of those who adopt Christianity outside the context of Western missionary or other colonizing projects The book engages with the intersection of culture and spirit filled religion with an eye to how those interactions help frame an alternative religious modernity Throughout the book the author uses culture as both a heuristic lens and as a variable within the equation She argues that culture helps us understand how people engage with and reconfigure global religious flows within their own imaginations and for their own parochial uses

**Passing Orders** S. Jonathon O'Donnell,2020-12-01 Demonization has increasingly become central to the global religious and political landscape Passing Orders interrogates this centrality through an analysis of evangelical spiritual warfare demonologies in contemporary America Situating spiritual warfare as part of broader frameworks of American exceptionalism

ethnonationalism and empire management author S Jonathon O Donnell exposes the theological foundations of the systems of queer and transphobia anti blackness Islamophobia and settler colonialism that justify the dehumanizing practices of the current U S political order O Donnell argues that demonologies are not only tools of dehumanization but also ontological and biopolitical systems that create and maintain structures of sovereign power or orthotaxies models of the right ordering of space time and bodies that stratify humanity into hierarchies of being and nonbeing Alternative orders are demonized as passing framed as counterfeit transgressive and transient Yet these orders refuse to simply pass on instead giving strength to deviant desires that challenge the legitimacy of sovereign violence Critically examining this challenge in the demonologies of three figures Jezebel the Islamic Antichrist and Leviathan Passing Orders re imagines demons as a surprising source of political and social resistance reflecting fragile and fractious communities bound by mutual passing and precarity into strategic coalitions of solidarity subversion and survival

**Mission in Crisis** Ralph Kunz, Henning Wrogemann, 2024-04-26 Mission in crisis this diagnosis makes immediate sense in view of the rapid decline of European Christian churches However there is a great deal of controversy as to what exactly this crisis consists of what its actual causes are and what dynamics the crisis discourse itself exhibits The contributions in this volume were held on an international conference that took place from November 25-27 2022 at the University of Zurich They pursue these questions from a mission theological perspective and seek to open up new perspectives for the future of the church in both secular and plural societies With contributions from Heike Breitenstein John G Flett Ralph Kunz Sabrina M ller Stefan Paas Henk de Roest Stefan Schweyer Patrick Todjeras Graham Tomlin Benno van den Toren and Henning Wrogemann Mission in der Krise ber eine unerledigte Aufgabe der Kirche Mission in der Krise

diese Diagnose leuchtet im Blick den rapiden Niedergang europäischer christlicher Kirchen unmittelbar ein Allerdings ist heftig umstritten worin genau diese Krise besteht was ihre eigentlichen Ursachen sind und welche Dynamik der Krisendiskurs selbst aufweist Die Beiträge des vorliegenden Bandes stammen von einer internationalen vom 25.27.11.2022 an der Universität Zürich abgehaltenen Tagung Sie gehen diesen Fragen in missionstheologischer Perspektive nach und suchen neue Perspektiven für die Zukunft von Kirche in ebenso sozialen wie pluralen Gesellschaften zu eröffnen
