**What Is Wrong with Black People? - How Post-slave Psychology and Afrocentricity are Joining with Colonialism to Undermine Black Africa's Cultural Integrity** Joe Mintsu,2007-12-24 The mood in the world today is such that either you believe that Black people are natural slaves or you believe that White people are evil by nature In either case you are in a stalemate you can't change nature can you Yet not only is it very improbable for someone to turn up slave or evil just by nature it is neither demonstrable that evil is conditioned by skin colour The question here is why should evil be White and why should evil's target be Black In other words what is wrong with evil always tending to choose Black In fact the actual question is what is wrong with Black people always tending to be evil's preferred targets This book simply personifies a totally different type of intuition where the most unsuspected a yet the most damning a causes of the suffering and the struggles of Africans in today's world are not only laid open with courage but also resolved with vision

**History in Black** Yaacov Shavit,2013-11-12 The development of Afrocentric historical writing is explored in this study which traces this recording of history from the Hellenistic Roman period to the 19th century Afrocentric writers are depicted as searching for the unique primary source of culture from one period to the next Such passing on of cultural traits from the ancient model from the classical period to the origin of culture in Egypt and Africa is shown as being a product purely of creative history

## Enjoying the Beat of Phrase: An Mental Symphony within **Inventeurs Et Savants Noirs**

In a world eaten by displays and the ceaseless chatter of fast connection, the melodic splendor and mental symphony created by the prepared word frequently diminish in to the back ground, eclipsed by the persistent noise and interruptions that permeate our lives. Nevertheless, set within the pages of **Inventeurs Et Savants Noirs** an enchanting literary value filled with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that interesting masterpiece conducts viewers on a mental journey, well unraveling the concealed songs and profound influence resonating within each carefully constructed phrase. Within the depths with this moving analysis, we will explore the book is central harmonies, analyze its enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
