Jack The Ripper 1years:

Jack The Ripper Paul Gainey, Stewart Evans, 2013-07-31 Stewart Evans is a policeman whose hobby is collecting true crime ephemera When a second hand bookseller rang to ask him if he would be interested in a collection of letters from the Special Branch he had no idea of the sensational revelation they would contain One of these letters supplied an astonishing piece of information not contained in the decimated Scotland Yard files The police had actually arrested and charged an American with the Ripper murders but he escaped and disappeared in America The Ripper murders ceased The book reveals for the first time the identity of Jack the Ripper JACK the RIPPER - First Publications (Published 1888. Illustrated) Ben Hammott, John Francis BREWER, 2018-09-09 THE CURSE UPON MITRE SQUARE A D 1530 1888 By JOHN FRANCIS BREWER Original Illustrated Unabridged 1888 Version THE HISTORY OF THE WHITECHAPEL MURDERS A Full And Authentic Narrative Of The Above Murders With Sketches Original Illustrated Unabridged 1888 and 1889 Versions During the era of the Jack the Ripper slayings in 1888 the newspapers sensational headlines captured the public's imagination but did little to satisfy their hunger for more news on these ghastly crimes John Francis Brewer no doubt seeing a way to profit from the hysteria surrounding the Ripper murders puts pen to paper and in October 1888 even before the final murder had been committed and Jack disappeared forever the first fictionalization of the Ripper killings appeared in the form of John Francis Brewer's *The Curse Upon Mitre Square* Though both books reveals no clues as to the Ripper's identity and factual errors because they were written at the time of the murders and the very first printed publications dedicated to Jack the Ripper it is essential reading to those interested in Jack the Ripper and murder stories in general Both are worth reading for their entertainment value This is what the press had to say about Brewer's book at the time It can not be denied that Mr Brewer has written a clever and blood curdling book Evening Post A very remarkable little booklet Is written with the best intention and will doubtless have a fascinating interest to lovers of the tragic Provincial press This thrilling little tale as condensed as a meat lozenge is the work of Mr John Francis Brewer who has laid before his readers a perfect feast of horrors Having obtained possession of some very recondite and curious information concerning the precedents of Mitre Square the author proceeds to impart his privileged knowledge in about as gruesome a tale as it has ever been our fate to read late at night when the fire burning low and encircling one with shadows that embody the horrors one is reading causes one to start and look up and all around in a fit of ignominious pusillanimity *The Curse Upon Mitre Square* boasts some literary qualities above its supreme sensationalism It is indeed a well written booklet whose perusal we can confidently recommend to all our readers who care to have their minds agreeably thrilled by scientifically accumulated terrors *The Gentleman* THE HISTORY OF THE WHITECHAPEL MURDERS is the original title This publication was reprinted in 1889 with the title AN EXTENDED ACCOUNT OF THE WHITECHAPEL MURDERS BY THE INFAMOUS JACK THE RIPPER This later edition omitted some of the original 1888 text and images and added a couple of new images These changes are clearly marked in the combined 1888

lived the uneducated poverty ridden and morally destitute masses When Jack the Ripper walked onto the streets of the East End he came to represent everything that was wrong with the area and with society as a whole He was fear in a human form an unknown lurker in the shadows who could cross boundaries and kill Jack the Ripper The Definitive History is not yet another attempt to identify the culprit Instead the book sets the murders in their historical context examining in depth what East London was like in 1888 how it came to be that way and how events led to one of the most infamous and grisly episodes of the Victorian era
