Cohen,2008-03-15 This is a volume of practical scriptural and contemporary essays exploring the idea of strength in weakness in the context of Christian life and ministry Biblical scholars theologians and Christian ministry practitioners have thought about the biblical paradigm of strength in weakness within their own areas of expertise and interest Biblical scholars encounter the idea of strength in weakness in both Old and New Testament passages that suggest human weakness and divine strength The people of Israel a community reliant on grace exemplify this theme Mark s portrayal of Jesus Christ indicates that it is in weakness that Christ saves Paul s paradigm for ministry suggests the same

Theological chapters engage this teaching of strength in weakness as it surfaces in Luther's life in Calvin's view of prayer in Barth's theology and ultimately in the divine dealing with the world. Pastoral theology demonstrates this theme's foundational significance for a suffering church in its mission to the world as well as the theme's importance for preaching the leading of God's people today. Drawing together scholars from fields of biblical studies, systematic theology and pastoral theology, On Eagles' Wings questions an overemphasis on power in today's church. The authors propose various ways that ministry and mission may be best engaged with a biblical humility and with reliance on God's grace.

**Anti-Fascism in Britain** Nigel Copsey, 2016-10-04 Anti-fascism has long been one of the most active and dynamic areas of radical protest and direct action. Yet it is an area of struggle and popular resistance that remains largely unexplored by historians, sociologists and political scientists. Fully revised and updated from its earlier edition, this book continues to provide the definitive account of anti-fascism in Britain from its roots in the 1930s opposition to Oswald Mosley and the British Union of Fascists to the street demonstrations and online campaigns of the twenty-first century. The author draws on an impressive range of sources including official government police and security services records, the writings and recollections of activists themselves and the publications and propaganda of anti-fascist groups and their opponents. The book traces the ideological, tactical and organisational evolution of anti-fascist groups and explores their often complicated relationships with the mainstream and radical left as well as assessing their effectiveness in combating the extreme right.

**The Matthew Henry Study Bible A.** Kenneth Abraham, Hendrickson Publishers, 2010 For 300 years believers have turned to Matthew Henry's timeless commentary for clear, concise help in understanding the Bible and relating its wisdom to practical Christian living. This edition blends his inspirational notes with a full featured KJV Bible to enable readers to benefit from the simple piety and no-nonsense application of the biblical lessons.

**I Am Yahweh** Walther Zimmerli, 2018-11-27 I Am Yahweh offers a formidable combination of the basic thoughts and principles behind Walther Zimmerli's exegetical and theological work, reflecting the rigorous methods he uses in tracing the development of theological formulae through biblical usage. Zimmerli's compilation demonstrates a clear, disciplined method and careful exegetical insight. These essays cover Old Testament theology, the prophets with special emphasis on Ezekiel, the crisis of the exile, the meaning of revelation. Zimmerli has the amazing capacity to move from exegesis to hermeneutics. His work is faithful to the text yet he is very attentive to the theological implications contained therein. This latest work is destined to become a standard resource and text for seminary instruction and continuing education for pastors.

**T&T Clark Handbook of the Doctrine of Creation**, 2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities. The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly, innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation.
