*The 1850 Census of Georgia Slave Owners*, 1999 Format Paper Pages 348 pp Published 1999 Reprinted 2006 Price 35.00 23.50 Save 33% ISBN 9780806348377 Item CF9248 In 1850 and again in 1860 the U.S. government carried out a census of slave owners and their property Transcribed by Mr Cox the 1850 U.S. slave census for Georgia is important for two reasons First some of the slave owners appearing here do not appear in the 1850 U.S. census of population for Georgia and are thus restored to the population of 1850 Second and of considerable interest to historians the transcription shows that less than 10 percent of the Georgia white population owned slaves in 1850 In fact by far the largest number of slave owners were concentrated in Glynn County a coastal county known for its rice production The slave owners census is arranged in alphabetical order according to the surname of the slave owner and gives his/her full name number of slaves owned and the county of residence It is one of the great disappointments of the antebellum U.S. population census that the slaves themselves are not identified by name rather merely as property owned Nevertheless now that Mr Cox has made the names of these Georgia slave owners with their aggregations of slaves more widely available it may be just possible that more persons with slave ancestors will be able to trace them via other records

property records for example pertaining to the 37 000 slave owners enumerated in this new volume      **Tales from the Tar Heel Locker Room** Ken Rappoport,2005 Tales from the Tar Heel Locker Room Second Edition is a compilation of the best notes quotes and anecdotes from North Carolina lore In these pages you will meet a coach nicknamed Bloody Neck a player called The Blind Bomber and a team known as the White Phantoms Of course there is also Bones McKinney one of basketball s all time funnymen With Bones the Heels laughed all the way to the 1946 NCAA finals At the end they cried after losing Then there is Frank McGwire whose Underground Railroad carried the Tar Heels to an undefeated season and a national title in 1957 The 2005 NCAA championship run is told And of course there is Smith and the extraordinary Michael Jordan      Jet ,1986-04-21 The weekly source of African American political and entertainment news      Slam-Dunk Success Byron Scott,Charlie Norris,Jon Warech,2017-04-25 Great leadership begins with great understanding No one knows that better than basketball legend Byron Scott and lifelong business executive Charlie Norris who respectively won NBA championships and resurrected multimillion dollar corporations by being team players no matter their position Whether it s on the basketball court in the boardroom or in everyday life getting to the heads and hearts of people is paramount to getting the most out of them In SLAM DUNK SUCCESS Scott and Norris share their parallel formulas for victory and prove that with the right tools winning can happen anywhere As a player Scott won three championships with the Los Angeles Lakers and as coach he twice took the New Jersey Nets to the NBA Finals and won Coach of the Year honors with the New Orleans Hornets With every team his role changed but his winning mentality never faltered As CEO of McKesson Water Charlie Norris turned a 200 million dollar company into a company that sold ten years later for 1 1 billion dollars and as chairman of the board of Freshpet he helped lead the start up from early stage testing to become a publicly traded company with a market value of over 350 million In each job he led with the same amount of conviction and care Their book which grew from their unlikely friendship and realization that two men from completely different backgrounds could have the same leadership ideals breaks down their keys to motivating others negotiating deals and creating prosperity from scratch Their blueprint includes lessons on listening turning failure into learning opportunities and delegating authority with extreme precision Leadership is a full time job and Byron Scott and Charlie Norris s story is a guidebook for leaders in all fields and in any position looking to better both their careers and lives Champions are formed when people make those around them better and this book shows how you can be a winner every day      *Tales from the North Carolina Tar Heels Locker Room* Ken Rappoport,2012-05-01 Ken Rappoport s Tales from the North Carolina Tar Heels Locker Room is a compilation of the best notes quotes and anecdotes from North Carolina lore Meet a coach nicknamed Bloody Neck a player called The Blind Bomber and a team known as the White Phantoms And of course there is the extraordinary Michael Jordan Tales from the North Carolina Tar Heels Locker Room captures the anecdotes and memories that have defined this team from the early twentieth century up through their incredible success in the 2000s A must have for any Tar Heels fan      **LeBron James, King of the Court** B.
