Air Force Journal of Logistics ,1988 Making the Rugby World Timothy J.L. Chandler,John Nauright,2013-09-13
This book explores the expansion of rugby from its imperial and amateur upper class white male core into other contexts throughout the late nineteenth and twentieth centuries The development of rugby in the racially divided communities of the settler empire and how this was viewed are explored initially Then the editors turn to four case studies of rugby s expansion beyond the bounds of the British Empire France Italy Japan and the USA The role of women in rugby is examined and the subsequent development of women s rugby as one of the fastest growing sports for women in Europe North America and Australasia in the 1980s and 1990s The final section analyses the impact of commercialisation professionalisation and media on rugby and the impact on the historic rugby culture linked to an ethos of amateurism *Bent's Literary Advertiser and Register of Engravings, Works on the Fine Arts* ,1848 **Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc** William Jerdan,William Ring Workman,Frederick Arnold,John Morley,Charles Wycliffe Goodwin,1836 Extreme Britain Elizabeth Pearson,2024-01-01 In this fascinating study Pearson presents nearly a decade s worth of research into Britain s radical right Since her findings rely on interviews with extremists Pearson must also address the ethical difficulties arising from quoting these harmful ideologies in print This results in an interesting methodological discussion which contrasts presence of empathy understanding and condemnation in her interview experiences Security Women **Journal of the National Cancer Institute** ,2005 Proceedings of the International Conference on English Language and Teaching (ICOELT 2022) Havid Ardi,M. Affandi Arianto,Nur Rosita,Carbiriena Solusia,Rizaldy Hanifa,2023-12-27 This is an open access book International Conference on English Language and Teaching ICOELT is an Annual conference hosted by English Department of Faculty of Languages and Arts Universitas Negeri Padang It was firstly conducted in 2013 as International Seminar on English Language and Teaching ISELT This event consistently invites reputed speakers and having competence in English Language Teaching from around the world *Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c* ,1836 The Body and Shame Luna Dolezal,2015-03-31 The Body and Shame Phenomenology Feminism and the Socially Shaped Body investigates the concept of body shame and explores its significance when considering philosophical accounts of embodied subjectivity Body shame only finds its full articulation in the presence actual or imagined of others within a rule and norm governed milieu As such it bridges our personal individual and embodied experience with the social cultural and political world that contains us Luna Dolezal argues that understanding body shame can shed light on how the social is embodied that is how the body experienced in its phenomenological primacy by the subject becomes a social and cultural artifact shaped by external forces and demands The Body and Shame introduces leading twentieth century phenomenological and sociological accounts of embodied subjectivity through the work of Edmund Husserl Maurice Merleau Ponty Jean Paul Sartre Michel Foucault and Norbert Elias Dolezal examines the embodied social and political features of body shame

contending that body shame is both a necessary and constitutive part of embodied subjectivity while simultaneously a potential site of oppression and marginalization Exploring the cultural politics of shame the final chapters of this work explore the phenomenology of self presentation and a feminist analysis of shame and gender with a critical focus on the practice of cosmetic surgery a site where the body is literally shaped by shame The Body and Shame will be of great interest to scholars and students in a wide variety of fields including philosophy phenomenology feminist theory women s studies social theory cultural studies psychology sociology and medical humanities **The Making of the Modern Body** Catherine Gallagher, Thomas Laqueur, 2023-09-01 Scholars have only recently discovered that the human body itself has a history Not only has it been perceived interpreted and represented differently in different epochs but it has also been lived differently brought into being within widely dissimilar material cultures subjected to various technologies and means of control and incorporated into different rhythms of production and consumption pleasure and pain The eight articles in this volume support supplement and explore the significance of these insights They belong to a new historical endeavor that derives partly from the crossing of historical with anthropological investigations partly from social historians deepening interest in culture partly from the thematization of the body in modern philosophy especially phenomenology and partly from the emphasis on gender sexuality and women s history that large numbers of feminist scholars have brought to all disciplines Scholars have only recently discovered that the human body itself has a history Not only has it been perceived interpreted and represented differently in different epochs but it has also been lived differently brought into being within widely dissimi

The Journal of Heredity , 1918 Contesting Masculinities and Women's Agency in Kashmir Amya Agarwal, 2022-07-18 What is the significance of gender and masculinities in understanding conflict Through an ethnographic study conducted between 2013 and 2016 this book explores the politics of competing and sometimes overlapping masculinities represented by the state armed forces and the non state actors in the Kashmir valley In addition the book broadens the understanding of women s agency through its engagement with the construction performance and interplay of masculinities in the conflict Combining existing elements of both feminist research and critical scholarship on men and masculinities the book highlights the significance of foregrounding the interplay of men s identities in conflicts to understand agency in a meaningful way Through the focus on the simultaneous play of multiple masculinities the book also questions the oversimplified and monolithic usage of masculinity being associated only with violence in conflicts The empirical data in the book includes interviews and narratives of multiple stakeholders belonging to diverse vantage points in the Kashmir conflict Some of these include activists widows wives of the disappeared ex militants surrendered militants participants of the stone pelting movement mothers of sons killed in the conflict women representatives of the village Halqa Panchayats and army personnel The book also draws from alternative material in the form of graffiti folk songs poetry on graves and slogans Through anecdotal reminiscence the author reflects on the challenges of field research in Kashmir that served as an opportunity for

self contemplation **An Anthropological Economy of Debt** Bernard Hours, Pepita Ould Ahmed, 2015-04-10 Debt is often thought of as a mere economic variable governed by a simplistic mechanical logic ignoring its other facets Whose debt and debt of what exactly This volume analyzes debt as a political and social construct with a multiplicity of purposes and agents All of these are vectors of meanings that are highly diverse and of subtle distinctions they show that debt is a transverse phenomenon cutting across spaces that are not merely economic but also domestic social and political Each contributor takes a fresh view of the subject dealing with debt at a different time in a different society on a different scale of observation By adopting a determinedly interdisciplinary approach the authors reveal in the phenomenon of debt a diversity of social and gendered determinants that amount in some cases to domination allegiance or slavery and in others to solidarity and emancipation Debt is at one and the same time shared imposed political and gendered **Pornography, Sex Work, and Hate Speech** Karen Maschke, 2024-11-01 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women s struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women s studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women s legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women

The Palgrave Handbook of Women and Gender in Twentieth-Century Russia and the Soviet Union Melanie Ilic, 2017-11-30 This handbook brings together recent and emerging research in the broad areas of women and gender studies focusing on pre revolutionary Russia the Soviet Union and the post Soviet Russian Federation For the Soviet period in particular individual chapters extend the geographic coverage of the book beyond Russia itself to examine women and gender relations in the Soviet East Tatarstan Central Asia Kazakhstan Tajikistan and Uzbekistan and the Baltic States Estonia Latvia and Lithuania Within the boundaries of the Russian Federation the scope moves beyond the typically studied urban centres of Moscow and St Petersburg to examine the regions Krasnodar Novosibirsk rural societies and village life Its chapters examine the construction of gender identities and shifts in gender roles during the twentieth century as well as the changing status and roles of women vis a vis men in Soviet political institutions the workplace and society more generally This volume draws on a broad range of disciplinary and methodological approaches currently being employed in the academic field of Russian

studies The origins of the individual contributions can be identified in a range of conventional subject disciplines history literature sociology political science cultural studies but the chapters also adopt a cross and inter disciplinary approach to the topic of study This handbook therefore builds on and extends the foundations of Russian women s and gender studies as it has emerged and developed in recent decades and demonstrate the international indeed global reach of such research

Educational Leadership and Nancy Fraser Jill Blackmore,2016-06-10 Drawing on the work of Nancy Fraser this book offers a critical view of contemporary educational leadership and reform discourses exploring how her key concepts of redistribution recognition and representation may apply to social and therefore educational justice Fraser offers a political and pragmatic reconciliation between feminist neo Marxist critical and post structuralist theories This book outlines how Fraser has worked on and worked over theories of social justice and how this can inform how we can understand educational theory policy and practice generally In particular the book focuses on the field of educational administration and leadership ELMA as it relates to equity issues such as school choice and inequality gender and inclusive leadership and alternative schooling Fraser s argument about scaling up social justice theory is shown to be highly salient given the emergence of the field of transnational education policy and its role in the context of intensified nation state and edu business competition Overall through the lens of Nancy Fraser s unitary framework this book considers epistemological questions about the nature of knowledge examines the relationship between the state the individual education and social movements addresses the difficulties and dilemmas which arise due to the intersections of gender class race sexuality and culture in a globalized context and illustrates how the principles of social justice can be mobilized by leaders in everyday practice Educational Leadership and Nancy Fraser is an illuminating read for those policymakers researchers and practitioners engaged in the field of educational administration leadership and social justice
