Happiness Randy Alcorn, 2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today s culture the vast majority of Christians are perceived as angry judgmental people who don t seem to derive any joy from life whatsoever So why aren t we happy Unfortunately many Christians are taught early on that God doesn t want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn t mean we can t also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere *Body Happy Kids* Molly Forbes, 2021-04-01 We are not born hating our bodies Make sure your kids never do No parent wants their child to grow up with anything less than wholehearted confidence in themselves Sadly research shows that children as young as five are saying they need to go on a diet and over half of 11 to 16 year olds regularly worry about the way they look Campaigner and mum of two girls Molly Forbes is here to help In Body Happy Kids Molly draws on her own experience and a range of experts to provide parents with a much needed antidote to the confusing health advice that bombards us every day This reassuring
