Summary

The Tragedy of Julius Caesar is the tragic true story of the betrayal and assassination of Roman ruler Julius Caesar in 44 B.C. After successfully conquering much of the ancient world, Caesar is invited to lead the Roman Empire. Cassius and other members of the Roman senate fear that Caesar will become a power-hungry dictator. They decide that Caesar must be stopped. They enlist Caesar's trusted friend, Brutus, to help murder the leader as a patriotic act for the good of Rome.

Materials

- *The Tragedy of Julius Caesar* script booklets
 - *The Tragedy of Julius Caesar* Primary Sources (pages 50–55 or Teacher Resource CD)
 - copies of the Take-Home Script (Teacher Resource CD)

Introduce the Literature

Display the photograph of the statue of Julius Caesar (page 50). Explain that the title character in this play was a real person and the story is mostly true. Divide the class into three homogeneous groups to learn the basic historical facts upon which this play is based. Have one group research the people involved. Have another group research the setting of the play. Remind students that time period and location are both part of the setting. Have the third group research the events that occurred around the time of Caesar's assassination. Ask students to present their research to the class orally and visually.

Differentiation Support

Have **English language learners** and **below-grade-level students** take on the concrete task of researching the people. Having portraits to connect to facts will make the information more manageable. Suggest that students share

their data on character trading cards.

Have **on-grade-level students** research the events of the assassination. The facts will be straightforward and can be organized in sequential order.

Ask **above-grade-level students** to research the setting. This subject is more open-ended. Encourage students to find as many details as possible about the location and time period.

Involving All Students

While this script has only six roles, there are ways to involve all students. Ask some students to work on presenting the sonnets. Others can create backdrops. The backdrops might include a battlefield, Brutus's house, the Senate, and the Forum.
