

Section A – Question 1 (translation) into assessed language

This task is a points-based mark scheme in which 1 mark is given for each correct individual section of language. A correct translation is provided in a grid which also outlines the alternative translations that will be accepted or the translations to be rejected. Marking principles for error tolerance with examples are given directly above the grid.

Marking principles

Accents: non-grammatical accent errors are tolerated, for example *jovenes* rather than *jóvenes* unless they cause ambiguity (for example *entro* rather than *entró*).

Spelling: non-grammatical mis-spellings are tolerated, for example *imigracion* rather than *inmigración*, as long as they are not ambiguous or in the wrong language (for example *eimigración* or *immigration*).

Verb endings must be correct and will not be classed as spelling errors.

Adjective endings must be correct and will not be classed as spelling errors.

Repeated capitalisation errors will not be penalised (for example *Español* instead of *español*).

Accept any appropriate alternatives that do not already appear in the acceptable answers column.
