Clay Jackson MD DipTh, 2025-02-13

What if we re missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts **Church Girl** Sarita T. *How I Changed My Mind about Women in Leadership* Alan F. voices to the proclamation of the gospel for as long as there has been a gospel to proclaim but only in the last half century have these voices become part of the official catalogue of Christian preaching Diagnosing the distinctiveness of women's voices and exploring the richness they convey about the presence of God requires a detailed look at the meaning making strategies used by those who preach and those who listen Register provides a tool for analyzing not only the theological and semantic contributions of women but also demonstrates how gender impacts the meaning making possibilities of the sermon Feminine Registers offers a gendered analysis of preaching that does not rely on essentialist claims about gender and moves the analysis of the preaching beyond sermon content to include the relational dynamics operating between the communicating parties and the medium used to communicate A critical examination of this constellation of meanings influenced by gender related issues of authority and self disclosure helps illuminate the production of meaning within the church and expands the homiletical possibilities for the Christian faith

*Talitha Cumi "Little Girl, Arise!"* Greg Violi, 2020-12-29 *Talitha Cumi Little Girl Arise* is an unveiling of the image of God and the utter importance of women taking their true place in the heart of the Father As women discover the real meaning of hard to understand scriptures they will be enthralled with both Paul and Father God's love for them While reading this revelatory book the reader will be totally convinced that the Apostle Paul was not a misogynist but instead he had a deep appreciation and love for all female members of Christ's body The truths contained within this book will dispel confusion and instill a great honor in the men for their wives and sisters These same truths will

drive out all discouragement in the women and fill them with joy and excitement about the Father creating them as a woman. Never again will these precious ones feel negative about themselves and their role on the earth. Marriages will be healed, inner wounds mended, and the body of Christ, the Ekklesia, will enter more fully into its divine purpose through the divine revelation that is contained in this book. The necessity of the full image of God will be understood, and with that, the importance of revealing the fulness of Christ in His risen glory through each member. Some of the important life-changing truths covered are honor, pride, and power to block all understanding of the true meaning of the Scriptures, and the main reason women are hindered and mistreated within the world. While reading about the hidden and unknown teaching called hatred for weakness, the reader will find answers to many questions.
