To Drink from the Silver Cup Anna Redsand, 2020-08-08 Anna Redsand was sixteen when she heard her mother say of two women who'd been discovered to be lovers They're living in sin They should see a doctor She knew in that moment that she would have to leave the security and intimacy of family church and home the only world she had ever known As that world faded so too did everything that had been religious or spiritual inside her The journey was to find what she'd lost or replace it Was there a faith community that could accept Anna as a lesbian a doubter and someone committed to social justice *To Drink From the Silver Cup* is the story of Anna Redsand's quest It took her from a devout missionary life in the Navajo Nation into the shame and exile of being unwanted in the homeland and then beyond through the uncharted territory of different religious spiritual and political directions Always striving for authenticity continuing to long for home forty years after taking leave Anna embarked on a deliberate experiment to see if return was possible or whether too much had changed in her and too little in the church In the past most memoirs about conflicts between fundamentalist Christianity and sexuality have been written by gay men Few if any have come to the same resolution that *To Drink From the Silver Cup* does This is a unique and memorable story with resonance for both seekers and those who have never challenged their held beliefs **Bi**
