**Just Breathe** Chuck Clark, 2013-05 Truth is there is never a good time for tragedy to occur A loss is a loss and the time of the year really doesn't matter all that much Bad things happen Really bad things happen They happen to everyone but somehow you hoped tragedy wouldn't happen to you It did The pain is unbearable and you can't seem to get yourself together You feel the life you had is over and nothing will ever be good again Tragedy makes us feel that way but there is hope Just Breathe deals with tragedy from a new perspective Whether it's suicide a terrible car wreck or a terminal disease terrible things happen to people we love and we don't know what to do next This book helps you confront tragedy from different angles so you can live the great life God wants for you The true stories in the book are devastating You will sympathize with their pain and identify with their hurt You will wonder if it's possible to live a good life again after tragedy destroys it It is indeed possible Jesus shows us how as this book follows two disciples on the worst day of their lives Has tragedy knocked the wind out of you Do you desperately need to take a deep breath This book is about learning how to take a deep breath after something really bad happens to you It's about turning your tragedy into triumph and enjoying the life God has for you
