Congress. House. Committee on Veterans' Affairs. Subcommittee on Benefits, 2001 Working in the 21st Century Mark Larson, 2024-02-20 From nurses and teachers to wildland firefighters and funeral directors an intimate honest and illuminating collection of interviews that reveal what it's like to work in America at this historic and volatile moment in time Author Mark Larson sits down with more than one hundred workers from across the socioeconomic spectrum as they share their experiences with work and what it has meant in their lives the good the bad the mundane and the profound Doula firefighters chefs hairstylists executives actors stay at home parents and so many more talk about what they do all day and how it aligns or doesn't with what they want to be doing with their lives The pandemic the ensuing Great Resignation and the current reckonings with racial justice are among the forces that are now upending and reshaping our longstanding relationships with work Larson's interviews display how these forces collide in the lives of average Americans as they tell their own stories with passion heartbreak and ultimately hope *Working in the 21st Century* asks why we show up or don't to the jobs we've chosen and how the upheaval of the past few years has changed how we perceive the work we do It will be released to commemorate the fiftieth anniversary of the publication of Studs Terkel's 1974 classic *Working* *War, Peace and Progress in the 21st Century* Mark Berger, Heloise Weber, 2013-09-13 The history of development is one marked by insecurities violence and persistent conflict It is not surprising therefore that development is now thought of as one of the central challenges of world politics However its complexities are often overlooked in scholarly analysis and among policy practitioners who tend to adopt a technocratic approach to the crisis of development and violence This book brings together a wide range of contributions aimed at investigating different aspects of the history of development and violence and its implications for contemporary efforts to consolidate the development security nexus From environmental concerns through vigilante citizenship to the legacies of armed conflicts during and after decolonization the different chapters reconstruct the contradictory history of development and critically engage contemporary responses and their implications for social and political analyses In examining violence and insecurity in relation to core organising principles of world politics the contributors engage the problems associated with the nation state and the inter state system and underlying assumptions of the promises of progress The book offers a range of perspectives on the contradictions of development and on how domination violence and resistance have been conceived At the same time it exemplifies the relevance of alternative methodological and conceptual approaches to contemporary challenges of development This book was published as a special issue of *Third World Quarterly* **Secrecy and Community in 21st-Century Fiction** María J. López, Pilar Villar-Argáiz, 2021-01-14 *Secrecy and Community in 21st Century Fiction* examines the relation between secrecy and community in a diverse and international range of contemporary fictional works in English In its concern with what is called communities of secrecy it is fundamentally indebted to the thought of Jacques Derrida Jean Luc Nancy and Maurice Blanchot who have pointed to the fallacies and dangers of identitarian and exclusionary communities arguing for forms of being in

common characterized by non belonging singularity and otherness Also drawing on the work of J Hillis Miller Derek Attridge Nicholas Royle Matei Calinescu Frank Kermode and George Simmel among others this volume analyses the centrality of secrets in the construction of literary form narrative sequence and meaning together with their foundational role in our private and interpersonal lives and the public and political realms In doing so it engages with the Derridean ethico political value of secrecy and Derrida s conception of literature as the exemplary site for the operation of the unconditional secret
