Two of the most famous mosaics from the ancient world in the church of San Vitale in Ravenna depict the sixth century emperor Justinian and on the wall facing him his wife Theodora 497-548 This majestic portrait gives no inkling of Theodora s very humble beginnings or her improbable rise to fame and power Raised in a family of circus performers near Constantinople s Hippodrome she abandoned a successful acting career in her late teens to follow a lover whom she was legally forbidden to marry When he left her she was a single mother who built a new life for herself as a secret agent in which role she met the heir to the throne To the shock of the ruling elite the two were married and when Justinian assumed power in 527 they ruled the Eastern Roman Empire together Their reign was the most celebrated in Byzantine history bringing wealth prestige and even Rome itself back to the Empire Theodora was one of the dominant political figures of her era helping shape imperial foreign and domestic policy and twice saving her husband from threatened deposition She played a central role trying to solve the religious disputes of her era and proactively assisted women who were being trafficked An extraordinarily able politician she excited admiration and hatred from those around her Enemies wrote extensively and imaginatively about her presumed early career as a prostitute while supporters elevated her quite literally to sainthood Theodora s is a tale of a woman of exceptional talent who overcame immense obstacles to achieve incredible power which she exercised without ever forgetting where she had come from In

Theodora Actress Empress Saint David Potter penetrates the highly biased accounts of her found in the writings of her contemporaries and takes advantage of the latest research on early Byzantium to craft a modern well rounded and engaging narrative of Theodora s life This fascinating portrait will intrigue all readers with an interest in ancient and women s history
